ARTICLE 7. THIRD PARTY LIABILITY FOR MEDICAL PAYMENTS

Miss. Code Ann. § 43-13-305 (2014)

§ 43-13-305. Assignment of rights against third parties; appointment of Division as attorney-in-fact; direction of payments to Division

(1) By accepting Medicaid from the Division of Medicaid in the Office of the Governor, the recipient shall, to the extent of the payment of medical expenses by the Division of Medicaid, be deemed to have made an assignment to the Division of Medicaid of any and all rights and interests in any third-party benefits, hospitalization or indemnity contract or any cause of action, past, present or future, against any person, firm or corporation for Medicaid benefits provided to the recipient by the Division of Medicaid for injuries, disease or sickness caused or suffered under circumstances creating a cause of action in favor of the recipient against any such person, firm or corporation as set out in Section 43-13-125. The recipient shall be deemed, without the necessity of signing any document, to have appointed the Division of Medicaid as his or her true and lawful attorney-in-fact in his or her name, place and stead in collecting any and all amounts due and owing for medical expenses paid by the Division of Medicaid against such person, firm or corporation.

(2) Whenever a provider of medical services or the Division of Medicaid submits claims to an insurer on behalf of a Medicaid recipient for whom an assignment of rights has been received, or whose rights have been assigned by the operation of law, the insurer must respond within sixty (60) days of receipt of a claim by forwarding payment or issuing a notice of denial directly to the submitter of the claim. The failure of the insuring entity to comply with the provisions of this section shall subject the insuring entity to recourse by the Division of Medicaid in accordance with the provision of Section 43-13-315. The Division of Medicaid shall be authorized to endorse any and all, including, but not limited to, multi-payee checks, drafts, money orders or other negotiable instruments representing Medicaid payment recoveries that are received by the Division of Medicaid.

(3) Court orders or agreements for medical support shall direct such payments to the Division of Medicaid, which shall be authorized to endorse any and all checks, drafts, money orders or other negotiable instruments representing medical support payments which are received. Any designated medical support funds received by the State Department of Human Services or through its local county departments shall be paid over to the Division of Medicaid. When medical support for a Medicaid recipient is available through an absent parent or custodial parent, the insuring entity shall direct the medical support payment(s) to the provider of medical services or to the Division of Medicaid.
