SQF Certification – Letter of Good Standing

April 15, 2020

To Whom it May Concern,

This letter is to confirm that TIC Gums is currently in good standing with NSF and remains Certified under SQF Food Safety Code for Manufacturing, Quality Edition 8.0. The current certificate is not scheduled to expire until June 24, 2020.

Due to the COVID-19 crisis TIC Gums has had to post-pone the annual third-party food safety audit originally scheduled for April of 2020. We are actively working on rescheduling the audit currently. All required programs, policies and procedures remain in place, up to date and implemented at TIC.

Kindest Regards,
Lorien Reynolds
Regulatory Affairs Manager
