Solitea Funding Express App

Small and mid-sized companies receiving loan tranches or deposits

Solitea Funding Express is a Microsoft Dynamics 365 Business Central app to **accelerate your funding and deposit management.**

One source for all your deposit management processes

Solitea Funding Express helps finance your operations to achieve your goals. It is a sophisticated deposits and funding management solution which provides actionable insights that support you in decision-making process.

Streamline grant management,

improve forecasting,

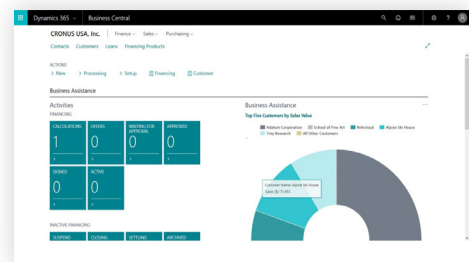

and get real-time performance metrics

while fostering compliance and security.

Solitea Funding Express works with **grant discovery**, **calculation of interest**, dealing with **funding rates**, **drawdowns**, proposal submission, administrative **reporting**, and **budget planning**. Our application deals with **2 types of funding – loan tranches** which are focused on donation from banks and **funding accounts** which workflow is focused on investors who give you money to get profit.

Integrated Microsoft solution

Solitea Funding Express is **based on Dynamics 365 Business Central** which is an all-in-one business management solution that connects operations **for small to mid-sized businesses**. It ensures business continuity with a cloud solution and help teams adapt faster and deliver results. Funding Express has **full integration in case of accounting, active debts, vendor database**, sales, and purchase. Your **data is safeguarded by Microsoft Azure**, providing industry-leading multi-layered physical security systems, and offering a comprehensive portfolio of compliance support and privacy standards.

High professional level with easy control

Solitea Funding Express is **easy to use** due to **wizards** for important operation. You can easily **set up funding products, loan frames and funding rates**, make changes and **forecasting** based on historical data. Funding Express has sophisticated **evidence of loan tranches** and its payment calendars, and **evidence of funding accounts** and its drawdown, interest, payments which helps you to accelerate your funding and deposit management.

With Solitea Funding Express, you have your business **data in one source**, providing one version of the truth. All data is connected and presented in clear, **role-tailored dashboards**. The embedded guidance allows you to **make better decisions faster**.

Your data is handled following international accounting compliance standards.

Embedded analytics

The high level of automation helps you to make better decisions faster. It offers **automatic reporting on client statistics**. The embedded analytics and built-in artificial intelligence predict revenue growth and profitability, which can make the **difference between success and failure**. Solitea Funding Express predicts payments using historical data and **provides actionable insights**. The technology offers you the opportunity to **anticipate in time on trends** and contributes to **customer-oriented and proactive entrepreneurship**.

Exactly like Microsoft Office

Solitea Funding Express is a simple solution for complex processes. The modern design has the **familiar Microsoft Office experience**, so you do not have to learn anything **new**. You can connect people, processes, and insights to make better decisions faster with embedded guidance, dashboards, and interoperability with Microsoft 365 and Microsoft Teams.
