

# Ex-Cover Pro D2

## Fact Sheet

### The Ex-Cover Pro D2 is IN STOCK and available to ship NOW!

The new ecom Ex-Cover Pro D2 is based on Samsung's X-Cover Pro. The Ex-Cover Pro D2 is a sophisticated smartphone that was purpose-built for field maintenance teams. It brings cutting-edge technology into hazardous areas enabling workers to perform multiple tasks all on one device.

#### Possible application areas in the Oil and Gas, Chemical, Pharmaceutical, Food Processing, and any other industry with potentially explosive atmospheres:

- **Push-to-Talk**—Physical PTT key replicates traditional radio operation; eliminates the need to carry multiple devices
- **Inspections, Maintenance, and Operator Rounds**—Simplify previously print-based and outdated operations through digitalization for increased accuracy, efficiency, and flexibility
- **Process Monitoring**—Receive vital process information on the go so that critical data is available wherever you are
- **Asset Tracking**—Integrated NFC and barcode scanning capabilities simplify equipment tracking resulting in more accurate data and less time spent trying to locate misplaced items

#### Main Features

- Class I, Division 2, Groups A,B,C,D T4
- 6.3" screen Enhanced Touch capabilities for use in wet conditions/with gloves
- User replaceable 4050 mAh battery
- Integrated PTT and programmable keys
- Band 48 for integration with private LTE networks
- Samsung Knox
- Carrier compatibility
  - Verizon (Push-to-Talk Plus)
  - AT&T (Enhanced Push-to-Talk)
