We supply your equipment needs

- Work with Centurion Service Group's certified pre-owned division, Centurion Direct as a sole solution for your facility's asset replacement plan.
- Purchase new and certified pre-owned medical equipment
 - Our certified pre-owned process returns equipment to OEM specifications, both functionally and cosmetically, and all certified pre-owned equipment comes with a full one-year parts/labor warranty.
 - We supply equipment from over 150 new product lines
- Extend the lifetime value of your medical equipment.

Centurion's direct sales division is a complete solution for restoring and/or replacing equipment.

We extend the lifetime value of medical equipment

Environmentally sustainable

Together, we can keep medical equipment in use and out of landfills, reducing environmental harm. We track and share with you how many pieces of equipment you have saved from a landfill and partner with you to announce our combined success because that is worth celebrating!

Socially responsible

Centurion Service Group provides affordable surplus medical equipment, often to underserved communities, introducing patients to care that would previously been out of reach.
