

IT STAFFING SOLUTIONS

When there's a gap in IT resources, the security and productivity of your business could be at risk. You require IT support that is reliable and affordable, but quickly accessing external IT talent becomes challenging when you're looking to fill a gap in your organization.

EMPOWER YOUR ORGANIZATION WITH EXCEPTIONAL AND SCALABLE IT TALENT

Through our IT services staffing division, eXcell, CompuCom provides IT staffing solutions that empower businesses. We staff organizations with top-quality IT talent, helping to reduce the costs and resources spent on hiring and training new IT professionals. With access to a large pool of IT employees around the country, we provide a uniquely skilled staff designed to meet your short- or long-term needs.

We handle all the tedious and expensive onboarding activities, such as background tests, drug screening, and scheduling. We also manage payroll and benefits. With eXcell, you don't need to worry.
