The ME2001 Bariatric Elevating Table is a durable, yet handsome elevating table perfect to add versatility to your treatment space. With a wider top, the ME2001 will give you the flexibility to work with a larger patient without taking away comfort. The sleek white powder coat steel base and the two sliding doors on each side of the table give a polished and sophisticated look while providing storage. The height range from 24" to 36" gives patients easy access to the table at the press of the foot pedal.

STANDARD FEATURES:

- Load Capacity: 400 lbs.
- Height range: 24-36"
- Steel base with white powder coat
- (2) Sliding doors on each side of table
- (1) Foot pedal
- Flat 2" high density foam cushion with nose hole
- Rounded corners
