Our space-saving Portable Wood Mat Table provides an ideal surface for stretching, therapeutic exercise or massage, yet it can be quickly and easily stored out of the way for more room when you have limited space. This rugged, 800-pound capacity table features premium materials and unmatched craftsmanship. Built using only the finest components such as eastern hard rock maple, American poplar, extra rigid birch and aircraft-quality cables, it is able to withstand the most vigorous work. The Cable-Lock™ system provides extraordinary strength and easy setup, and the unique Inverted Truss design gives extra support in the middle of the table, ensuring a solution that is both foldable and ruggedly stable. The 1" extra firm foam configuration is ideal for a variety of treatment protocols, and the adjustable height legs feature two stabilizing knobs to eliminate table movement.
