High Back Mesh Chair

The REVEOC01 High Back Mesh Chair construction keeps you cool by allowing air to circulate between the chair and your body, while the adjustable lumbar support offers customized comfort. Adjustable tilt tension and tilt lock let you find an ideal seating angle, and height adjustment options make it easy to select the proper configuration for your desk. Each arm adjusts height to create a comfortable place for resting in between tasks.

STANDARD FEATURES:

- Load Capacity: 300 lbs.
