## Office Accessories

Your space, your way. Create the ideal office environment with functional style at your fingertips. Whether you're looking for privacy panels, cord management, or a wireless charger to make your workspace more organized and comfortable - we've got you covered.

### Modesty Panel:

- RE125** (REV100, REV300, REV2200)
- RE225** (REV200)
- RE1915** (REV1900)

Simple to install, modesty panels provide a sleek, finishing touch to your workspace. Panels are easy to clean with a modern frosted acrylic finish and deliver the privacy you seek.

### Privacy Panel:

- RE126** (REV100, REV300, REV2200)
- RE226** (REV200)
- RE1916** (REV1900)

Stay focused and on task in your own quiet zone with privacy panels. The frosted acrylic panel minimizes interruptions and blocks noise by creating a partial privacy barrier with the separation you need to take an important call or to work with sensitive information. Panels are durable, easy to clean, and neatly attach to the front of each desk.

### Modesty Panel with Branding:

- RE125-B** (REV100, REV300, REV2200)
- RE225-B** (REV200)
- RE1915-B** (REV1900)

Your business colors and logo showcase your identity. Tell your unique story through custom branding options to make your workspace stand out.

### Privacy Panel with Branding:

- RE126-B** (REV100, REV300, REV2200)
- RE226-B** (REV200)
- RE1916-B** (REV1900)

Personalize your workspace with custom branding options featuring your business colors and logos.

# DESK ADD-ONS

## Cord Management Tray:

**RE251** (REV100, REV200, REV300, REV900, REV2200)

No more mid-air dangling of unsightly cords and cables with the cord management tray. At 22" wide, it's roomy enough to fit everything securely in one place, and it keeps all of your cords neatly bundled together. Strong and easy to install, the tray has a low-profile to keep cords and cables nearby, but out of the way.

## Wireless Charger:

**RE430** (All standing desks)

Elevate your productivity and seamlessly charge Qi-compatible devices with a Wireless Charger. It's a simple solution for when you want to charge a phone at your desk without searching for wires and ports. Compatible with a wide range of leading smartphone models it features a slim design and conveniently provides a charging station embedded right on the surface of your desk.

## Casters:

**RE470** (REV100, REV1700, REV1900, REV2200, REV5000, REV5100)

Improve workflow efficiency by taking your workstation on the go! Perfect for office environments and classroom spaces, our durable locking casters feature 360 degree swivel creating smooth mobility.

## Battery:

**RE410** (All standing desks)

Make your desk mobile with the battery option. Small and compact, at just over a pound this battery delivers reliable power for Rev.247 standing desks. It comes standard with a charging cradle and a convenient LED indicator and buzzer for battery capacity status at a glance.

## Pullout Storage Cubby:

**RE485** (REV100, REV200, REV300, REV2200)

Keep your workspace looking organized and professional with added storage that's out of sight. A smartly designed, slide-out compartment provides plenty of space to tuck away your keyboard or other essentials to keep things neat and organized for a clutter-free workspace.

## USB Bluetooth Dongle:

**RE420** (All standing desks)

The USB Bluetooth Dongle is a quick and inexpensive means to add Bluetooth Wireless communication to your personal computer. Simply plug in the USB Bluetooth Dongle adapter and connect to almost any Bluetooth enabled device or accessory such as a mouse, keyboard, smartphone, tablet, presenter, printer, or headset. You can also download and send emails, browse the Internet, back up files, and transfer videos, pictures and just about any other files you can imagine.
