Innovative Products and Solutions to
Help People Reinvent Their Workspace

WORKSPACE REINVENTED

The word *revision* means to see again or to look at from a fresh, critical perspective. Revision or REV. is an ongoing process of rethinking, reconsidering, review and refinement of purpose that results in change and improvement.

We created REV.247 as a way to help people work inspired in an ever-changing work environment. The world of work is changing, but our mission hasn't. Our focus is on the way you work best, and we provide the innovative resources you need to get work done. Whether you work at home, on the go, in a traditional space, or collaborating with others we have the products and workspace solutions you need to work anywhere.
