

CERTIFICATE NUMBER: 18-HS3392336

PORT OFFICE: Houston

Certificate of FACTORY APPROVAL (CONTAINERS)

This is to certify that: The Undersigned did evaluate the relevant manufacturing quality procedures of the manufacturer:

Anchor Fabrication Plant at 1200 Lawson Rd., Fort Worth, TX 76131

The methods of assuring and controlling quality during production as required by the 1998 ABS Rules for Certification of Cargo Containers and the associated specifications or standards were verified to reflect the specific surveys, required by the Rules and Standards for the manufacture of:

AB/295/17 Containers

The manufacturer presented a sample container, representative of the "type" approved, to the undersigned, for the purpose of verifying that the "type" has been manufactured in conformance with the Manufacturer's ABS Design Approval.

This Certificate of Factory Approval is an evaluation of the manufacturer's facilities and procedures only and is neither an approval nor a rejection of any specific container. Individual containers must still be certified under the ABS Rules for Certification of Cargo Containers. Unless cancelled, expired or revoked, this certificate remains valid subject to annual audits

Consult the Divisional ABS Container Certification Department to confirm the continued validity of this certificate and the status of the particular containers being manufactured.

Note: This Certificate evidences compliance with one or more of the Rules, guides, standards or other criteria of American Bureau of Shipping and is issued solely for the use of the Bureau, its committees, its clients or other authorized entities. This Certificate is a representation only that the structure, item of material, equipment, machinery or any other item covered by this Certificate has met one or more of the Rules, guides, standards or other criteria of American Bureau of Shipping as of the date of issue. Parties are advised to review the Rules for the scope and conditions of classification and to review the survey records for a fuller description of any restrictions or limitation on the vessel's service or surveys. The validity, applicability and interpretation of this Certificate is governed by the Rules and standards of American Bureau of Shipping who shall remain the sole judge thereof. Nothing contained in this Certificate or in any notation made in contemplation of this Certificate shall be deemed to relieve any designer, builder, owner, manufacturer, seller, supplier, repairer, operator or other entity of any warranty express or implied.
