

# GENETICALLY MODIFIED FOOD

Proficiency Test List - GBP  
Jan 2022 - Mar 2023

## GENETICALLY MODIFIED FOOD PROFICIENCY TESTS

Over 35 years after the first product trials, GM foods and crops remain a topic of much discussion, with some territories embracing the technology widely, some restricting the use and cultivation of GM crops and others continuing to ban their use in agriculture.

Currently there are 32 approved GM crop plants, from alfalfa to wheat, being used in the agriculture of 29 countries in 2019. This represents over 190 million hectares planted in the 29 producing countries, with a further 42 territories importing GM crops (ISAAA Brief 55 - 2019).

Note: The information in this price list is designed to assist you in choosing proficiency tests to meet your needs. ## How to Order

To order with Fapas® you will need an account. If you already have an account, simply go to [www.fapas.com](http://www.fapas.com) and login with your username and password by clicking on 'My Account' (top right of the page). If you have forgotten your password, you can reset it in 'My Account'. If you have not ordered yourself, but your company has ordered from Fapas® previously, simply email us at [info@fapas.com](mailto:info@fapas.com) and we will set up your account for you. If your company has not ordered from us before, click on the 'register' button on the page. For further information please visit [www.fapas.com](http://www.fapas.com) and choose 'How to Order' from the top menu.

The screenshot shows the Fapas website at <https://fapas.com/new-features>. The top navigation bar includes the Fapas logo, a search bar, and a 'My Account' link highlighted with a red box. Below the navigation bar are menu items: Proficiency Tests, Quality Control Materials, Reference Materials, New 2021/22 Programme, How to Order, and New Features. The main content area features a banner with a laboratory setting and chemical structures, with the text 'New Features' overlaid. Below the banner is the heading 'Getting the most from your PT provider' and a paragraph explaining Fapas's commitment to high-quality PT services. A section titled 'Proficiency Assessment on Demand' is also visible, with a small graphic of a line graph and a pencil.

The screenshot shows the Fapas website at <https://fapas.com/how-order>. The top navigation bar is identical to the previous screenshot, but the 'How to Order' link in the top menu is highlighted with a red box. The main content area features a banner with a close-up of laboratory equipment, with the text 'How to Order' overlaid.
