

RENTAL DIVISION PRODUCT LINES

In a continuing effort to give the customer the opportunity to get an assortment of equipment, services and products from one supplier, our rental division was established to provide a wide range of specialized products.

LIFTING EQUIPMENT RENTAL OR PURCHASE

- BOP Handling Systems
- Air Chain Hoists
- Electric Chain Hoists
- Chainfalls
- Lever Hoist
- Beam Trolleys
- Beam Clamps
- Air Tuggers / Winches
- Come-A-Longs
- Lifting Devices
- Spreader Beams
- Wire Rope Lubrication and Spooling Equipment
- Water Load Bag Test Weights
- Dynamometers / Load Cells

WIRE ROPE

- Domestic
- Import
- Drill Lines
- Specialty Wire Ropes

SLINGS

- Wire Rope Slings (Single - Multi Leg Bridles)
- Chain Slings (Single - Multi Leg Bridles)
- Flat Synthetic Web Slings (Flat Eye, Twisted Eye)
- Synthetic Round Slings (Up to 90,000Lb vertical Load)
- Truck Bridles
- (Synthetic and Wire Rope)

BLOCKS

- Traveling Blocks
- Drilling Blocks RJ Hook Style
- Drilling Blocks RP Top Drive
- Tubing Blocks
- Crane Blocks
- Derrick Blocks
- Snatch Blocks
- Guy Line Blocks
- Crown Sheaves
- Tong Blocks
- Lay Down Blocks

HARDWARE

- Bolt Type Shackles
- Screw Pin Shackles
- Wide Body Shackles
- Wedge Sockets
- Spelter Sockets
- Open / Closed Swage Sockets
- Swivels
- Turnbuckles
- Grab Hooks
- Sling Hooks
- Eye Hooks
- Swivel Hooks
- Hoist Hooks
- Pipe Hooks
- SHUR-LOC Hooks
- Forged Wire Rope Clips
- Wire Rope Grips
- Master Links
- Pear Shaped Links
- Forged Eye Bolts
- Ground Anchors

LOAD RESTRAINTS

- Load Binders (Lever & Ratchet)
- Truck Tie-down Assemblies
- Boomer Chains

CHAIN

- Grade 100 Alloy Steel Chain
- Grade 80 Alloy Steel Chain
- Grade 70 Transport Chain
- Grade 40 Hi-Test Steel Chain
- Grade 30 Proof Coil Chain

RIGGING SERVICES

- Proof Testing
- On Site Rigging Inspection
- Custom Lifting Devices
- Custom Spreader Beams
- Repair & Recertify Lifting and Related Products
- RFID and Tracking
- Online Certification Documents 24/7

SAFETY

- Fall Protection Self Retracting Units
- Full Body Safety Harness
- Shock Absorbing Lanyards
- Multi Style Lanyard Hooks
- Self Retracting Life Lines

AIR CHAIN HOISTS

- Capacity Range: 1/2 Ton - 100 Ton
- Lengths of Lift: Up to 250 Ft.
- Hook or Trolley Mount
- Low Headroom Available
- Chain Containers
- Roper or Push button control

ELECTRIC CHAIN HOISTS

- Capacity Range: 1/2 Ton – 25 Ton
- Lengths of Lift: Up to 250 Feet
- Hook or Trolley Mount
- Low Headroom Availability
- Chain Containers
- Push Button or Radio Frequency Drive Control

MANUAL CHAIN & LEVER HOISTS

- Chain Falls: Large Range of Capacities from 1/2 Ton – 50 Ton
- Lever Hoists (Come-a-longs): Large Range of Capacities from 3/4 Ton – 9 Ton
- Standard or Overload Protection – Slip Clutch
- Double Pawl Weston Style Brake
- Fully Machined Steel Load Sheaves
- Fully Enclosed Gear Train and Caged Internal Bearings
- Chain Fall Roller Thrust Bearings on Bottom
- Hooks – Allowing Hook to Rotate Under Load

AIR TUGGERS

- Capacity Range: 1,000 – 30,000 lb Line Pull
- Drum Widths Range: 12" – 60" (Wire Rope Storage Capacity)
- Single or Double Drum Types
- Options
 - Manual or Auto Brake
 - Drum Guard
 - Line Guide
 - Remote Push Button Control
 - Man-Riding Units

RIGGING & HARDWARE

- Wire Rope Slings
- Synthetic Slings
- Shackles
- Turnbuckles
- Rigging Equipment of all Kinds and Capacities
- Large Capacity Wire Rope Slings (Greater than 3/4" in Diameter)

BEAM TROLLEYS

- Capacity Range – 1 Ton - 100 Ton
- Plain, Hand-Geared or Powered (Air / Electric)
- Types
 - Standard or Wide Flange Availability
 - Preset or Adjustable Types
 - Low Headroom Availability

BEAM CLAMPS

- Capacity Range: 1 Ton – 33 Ton
- Adjustable Type
- Wide Flange Availability
- For Vertical and Up to 15 Degrees of Vertical
- Personnel Tie-Off Types Available

MODULIFT MODULAR LIFTING BEAMS

- Adjustable Spans Using Inserted Struts
- 2 Ton – 1600 Ton Capacity
- Spans from 1' – 170'
- Optional Top and Bottom Sling Potential
- Used in Applications Where Load Weight Distribution needs to be Equalized

HILMAN ROLLER RENTALS

- Up to 200 Ton Capacity
- Various Models: Swivel Top, Narrow, Wide and Accu-roll Available
- Vessel Moving, Machinery Moving, Load Transfer

HYDRAULIC RAMS & PUMPS

- Single or Double Acting Rams
- Rams Up to 500 Ton Capacity with Various
- Collapsed Heights and Strokes
- High Tonnage Rams
- Low Profile Rams
- Hand, Pneumatic or Electric Pumps
- Synchronized Lifts
- Hydraulic Lifting Systems up to 500 Tons on a Single Ram

WIRE ROPE SPOOLING & LUBRICATION RENTAL EQUIPMENT

- The SP RR50 SPOOLER
- 44 HP Electric Start Diesel Engine
- Powered Hydraulic Variable Speed Drive System, 0-8 RPM
- Capable of 200,000 in/lbs of Torque
- Handles Reels up to 120" Diameter by 75" Wide by 50,000 lbs

ADJUSTABLE GANTRY CRANE

- Adjustable Height and Span
- Aluminum Up to 3 Ton Capacity
- Steel Up to 10 Ton Capacity
- Useful Where Overhead Cranes or Portable
- Cranes are not Optional

OFFSHORE RENTAL EQUIPMENT

Our equipment is designed, engineered, and certified for offshore use and meets all offshore safety requirements and regulations. All equipment comes with certified lifting slings that meet ASME B30.9 lifting standards.

- Diesel air compressors
- Air tuggers
- Jet pumps
- Waterblasters
- Hydraulic units
- Hydraulic tools
- Diesel pumps
- Hydro-test pumps
- Calibrated recorders and digital dead weight testers
- Diesel welding machines
- Gas detectors
- Portable lighting
- Air spiders
- FLOW meters
- LARS systems
- Underwater video cameras
- WACHS Subsea Cutting Tools
- Baskets
- Assortment of diving-related equipment and topside contractor tools.

WWW.MORGANCITYRENTALS.COM

WATER LOAD TEST BAGS

- Test Weights up to 1,500 Ton Capacity
- Associated Rigging
- Spreader Bars
- Slings
- Shackles
- Dynamometers

CUSTOM SOLUTIONS

Delta Rigging & Tools can offer customized lifting & rigging solutions for your most challenging projects, including:

- Engineered Applications
- Heavy Lifts
- Multi-Pick Points
- Low Headroom Requirements
- Long-Lift Necessities
- Complete Outage & Turnaround
- Lifting, Rigging & Spreader Bars
- High capacity and/or Large Quantities
- Rigging Lofts
