

ACTIVE SHOOTER WORKPLACE VIOLENCE INSURANCE

Did you know that each year nearly 2 million American workers are victims of workplace violence? In fact, according to the Occupational Health and Safety Administration (OSHA), workplace violence is the second leading cause of worksite deaths in the United States.

With recent high-profile active shooter/workplace attacks, more businesses are boosting security efforts and taking added precautions to prevent acts of violence. Bukaty Companies understands these risks and offers a comprehensive policy to help companies respond and recover from such incidents.

Coverages

Active shooter/workplace violence insurance covers liability and extra expenses tied to violent attacks and/or threats, providing victim death benefits as well as needed medical, rehabilitation, psychiatric, and funeral expense coverages. The program considers all classes of business, including but not limited to government agencies, education, religious institutions, hospitality, entertainment, retail, and public entities. The program covers a wide range of attack types, such as knife, vehicular, explosives, and acid attacks rather than acts solely committed with a firearm.
