DURABLE.

All Commander Series Trailers are built for the long haul. They’re engineered with the finest materials and include vortex hubs, which include a 100,000 mile/6-year warranty. This line of trailers will withstand the toughest demands to and from the water’s edge.

FIRST CLASS.

Exceptional quality, sleek design, and premium performance separate a Commander Series trailer from the rest. They boast advanced features for superior functionality to ensure a smooth ride and easy loading and unloading.

THE NEW STANDARD.

With premium features included in every model, nothing about Commander Series trailers is “standard.” We know the trailer features that experienced boaters want, and we included all of them in each Commander Series model.
