Professional Answering Service for Business Teams

It's All About Team Work

Business Team 24/7 is a professional business answering and telephone message service designed for multiple team members. Once the phone call is answered by the operator a message is taken and forwarded via email and SMS directly to the intended recipient. And of course, our operators and the call centre is based in Australia.

Ideal as a Permanent Phone Answering Solution or as a Support Service During Those Busy Periods and Time Off

Australian Based

Our operators and call centre are located in Australia. With local knowledge and training, our operators will answer your calls as if they were based at your business premises.

100% Customised

Our services are fully tailored to your business requirements. Choose how the operators answer each call and what caller info to collect.

Short or Long Term

Our services cater for both short term and long-term periods and can be used for a variety of purposes to suit your business requirements.

Whether you're a small business or a corporation, this answering and message service is ideal for businesses with more than 2 team members. It's perfect for business operators that require a dedicated answering and message service to ensure they project a professional image. It's also ideal for call overflow and temporary call diversions of the main business line, or as an after hours or an emergency answering service.
