

Virtual Phone Bundle

1300 /1800 Number plus Phone Answering Service

Boost Your Business Image and Never Miss a Call Again

Our Virtual Phone Bundle will ensure your business makes a great first impression every time. The bundle comes with your choice of either a 1300 or 1800 number combined with a live phone answering service that best suits your needs. That way you gain all the benefits of an Australia Wide Inbound Number while making sure every call is answered by a professional phone operator based in Australia.

Australian Based

Our operators and call centre are located in Australia. You can rest assured we have the local knowledge to understand your business and provide an outstanding service.

100% Customised

The phone answering scripts used by the operators are fully customised to your business requirements. Our flexible options are designed to meet almost any business need.

Choice of Services

Choose from a range of services including Business 24/7 live answering and message service; Business Team that caters for multiple team members; and a Virtual Reception service.

Mix and Match to Create the Ideal Call Management System

The services can be set up in a variety of ways, all designed to suit your business requirements. You can either route the 1300-1800 number directly to the answering service and receive messages via SMS and email; or utilise the wide range of features and functions to route some calls to the answering service, and others to a designated mobile or a landline number.
