

CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION

International Toll Free Numbers are country specific national toll free numbers where the call is free for the caller if dialled from within the designated country. They are national inbound numbers and can only be used for receiving calls where the account holder is charged a call rate dependent upon its origin and where the number is being routed to.

International Toll Free Numbers offer a high level of call handling flexibility and can be routed to one or a range of answering points which can be either a landline or a mobile phone number.

The numbers come with included features such as Auto Attendant, Voice2Email, Business Intro Message, Geographical Routing, Time Dependent Routing, Call Alert, Call Forwarding, Call Overflow, Call Distributor and Call Barring.
