SECTION 2 - POLICY

A learner enrolment can be deferred, cancelled or withdrawn in certain circumstances by the RTO or the learner. The learner has the right to appeal the RTOs decision to cancel an enrolment, refer to the *SP3 Complaints and Appeals Policy*.

The RTO is committed to the fair and transparent application of fees and charges, including the processing of refunds. Learners are provided with details of all fees and charges and copies of the relevant refund policy prior to enrolment refer *EN1 Fees and Refunds Policy*.

WITHDRAWAL

- Learners may withdraw from their course at any time. Learners are required to contact their trainer via email or phone to advise of their intent to withdraw from training.
- The trainer must complete the *Enrolment Variation Form* detailing the reason for withdrawal and sign the form before sending to their Regional Manager for approval. Once approved, the *Enrolment Variation Form* is sent to the Administration Team.
- Learners that withdraw from a course may be eligible for a refund, refer to the *EN1 Fees and Refunds Policy*.
- Where a learner has withdrawn from a course after commencement and has been deemed competent in one or more units of competency, the learner is entitled to a Statement of Attainment.
- The RTO will ensure that the course withdrawal is effective from the last day of training and end date for each unit of competency matches date on last evidence of participation.
- All funding claims for withdrawn learners are signed off by the Funding Contracts Manager.
- For learners funded under the **Victorian Skills First Program**:
 - the RTO will only claim government funding for training and assessment that has occurred up to 80% of the scheduled hours of withdrawn units.
- For learners accessing **VET Student Loans** to fund their studies:
 - The RTO will ensure that the withdrawal is effective from the time of notification and confirmation of withdrawal will be sent to the learner including following details:
 - i. Date of withdrawal; and

- ii. The Unit of Study or part of the course from which the learner has withdrawn from; and
 - iii. Relevant census day; and
 - iv. Confirmation whether the learner has incurred a debt for the unit, part of the course or the whole course (unless they withdraw before the census day in which case, they will not incur a debt for that unit of study); and
 - v. Information about the refund of upfront payments (if any)
- The learner can apply to re-enrol in the Unit of Study or part of the course from which they have earlier withdrawn, by contacting Selmar at 1300223040 or via email to myfuture@selmar.edu.au

DEFERRAL

- Once the learner has commenced training, they may request to have their enrolment deferred on the grounds of compassionate or compelling circumstances.
- The granting of a deferral of enrolment and the length of time of a deferral is at the discretion of the Regional Managers and will be dependent on the individual learner circumstances.
- All deferral requests must be provided to the RTO in writing by completing the *Enrolment Variation Form* with documentation attached to support the claim of compassionate or compelling circumstances.
- For VSL learners, a progression will be issued for the learner to complete the option to defer. When the learner resumes, a progression form will be issued for the learner to indicate the date of return to study.
- The Regional Managers are responsible for approving all learner deferrals. In assessing the request, the Regional Manager will consider:
 - The evidence provided by the learner to demonstrate compelling or compassionate circumstances; and
 - The impact these circumstances may have on the ability of the learner to continue with their studies and to complete the course within the expected duration of study; and
 - The duration of the deferral requested; and
 - Support options available to the learner (e.g. counselling, temporary reduction in course load, specialised trainer to attend the workplace).
- Deferral of more than 3 months will not be granted without a re-assessment of the circumstances at the 3 month mark.
- Learners will be advised by email of the outcome of their request for a deferral. If a learner is dissatisfied with the outcome of a request, they can access the complaints and appeals process.
- All documentation relating to the assessment and outcome of learner deferral applications will be kept on the SMS. All discussions undertaken with the learner during the processing of the application will be recorded on the SMS.
- Learners are advised to retain their original documents (e.g. medical certificates, police statements) for their own records and submit copies with their applications for deferment.
- A deferral does not entitle a learner to a refund.
- Learners who fail to return to study at the end of an approved deferral period and/or are unable to be contacted will be referred to Learner Success Team to commence Re-engagement process (See Re-engagement Process section for details).

- Where the learner is deferred, the RTO will suspend all funding claims until such time the learner returns to study.

RE-ENGAGEMENT

The RTO closely monitors learner engagement. Where the learner does not submit work by the due date or is not maintaining contact with their trainer or other RTO representative, the RTO will commence the Re-engagement process.

- The learner will be referred to the Learner Success team and assigned a dedicated Learner Success Advisor.
- The LSA will contact the learner and provide an initial phone call to discuss support options. The learner will be advised of an additional extension (either via phone or email) to submit all outstanding overdue work by.
- Should this date be missed, the learner will receive Re-engagement Letter 1, which will contain a new due date.
- Should this date be missed, the learner will receive Re-engagement Letter 2, which will contain a final due date.
- Should this date be missed, the Learner Success Advisor will inform the trainer who will submit the variation form to withdraw the learner from the course due to non-progression.
- A learner can only go through the Re-engagement three times per qualification, or they may risk their enrolment being terminated due to repeated non-progression.

CANCELLATION

- The RTO may cancel learners' enrolment in the following circumstances:
 - Learner demonstrates serious misconduct as outlined in the *Discipline and Termination* section of the *Learner Handbook*; or
 - The learner fails to return to study after the approved deferral; or
 - The learner fails to contact or respond to contact attempts by the end of re-engagement process.
- Where the learners' enrolment is cancelled, the RTO will issue a Statement of Attainment for any units that the learner has successfully completed, refer to the *CO1 Completions and AQF Certification Policy*.

APPEALING A CANCELLATION DECISION

- In cases where a learner's enrolment is cancelled, they will be notified in writing of the reason for the cancellation and given 20 working days to access the RTO's internal complaints and appeals process unless extenuating circumstances relating to the welfare of the learner exist. If these exist, the cancellation can be implemented prior to the 20 days appeal period passing.
- Appeals will be dealt with quickly to minimise any disadvantage to the learner in the event that their appeal is upheld. Learners are not permitted to return to training until the process has been finalised. However, at the discretion of the Head of Training, learners may be provided with course material and contact with a trainer to enable them to continue their studies during the appeal process. (see *SP3 Complaints and Appeals Policy*)

TRANSFER

Once a course has commenced, a learner may request a transfer to a different study mode or funding type i.e., from distance to workplace or vice versa, from government funded to FFS, etc. Trainer must

complete an *Enrolment Variation Form* and submit to their Regional Manager for approval. The granting of a transfer is at the discretion of the Regional Manager but if approved, it is then sent to Administration with attached supporting documentation for processing.
