FACE MASK LOOKBOOK

Masks Made Easy!

What you need to know about masks

Let's Face it (no pun intended), Masks are new for all of us.

We're here to help you understand them better.

- Masks Are New For Everyone Suppliers are still figuring out how to make masks so the costs of a custom Mask are Similar to a custom T-Shirt.
- 2. Printing More Than 1 Color on a Mask Can Be Challenging
 - We can only screenprint <u>1 color max</u> on a mask with <u>multiple layers</u>.
 - b. Most Masks are 2Ply or 3Ply This means they have multiple layers for safety and comfort.
 - c. If you want multiple colors in your design see the next slide for the sublimated mask option.
- 3. **Some Masks Are Sold in Increments** Most are sold in batches, for example you may need to buy in increments of 25, 50, 75, etc. or require a minimum quantity.
- 4. Make sure Your Read Product Descriptions -to understand the limitations around:
 - a. # of Colors you can print on
 - b. Minimum Quantities
 - c. Batch quantity they are sold in
