Step 4: Collecting Payment

Collecting payment and sizes from everyone in the chapter can be a really time consuming process so we've made it easy by giving you multiple ways to pay on each campaign.

You have full control on your dashboard to track orders, close campaigns, and share payment links with your chapter members:

- Payment Status:** 4563 Arizona State Sigma Chi - Sk Relay for Life
- Current Order:** 107
- Goal Reached!**

The 4 Ways to Pay:

- Chapter Check:** Submit all your sizes through the message board and we'll invoice to pay by check.
- Chapter Credit Card:** Pay by chapter check or credit card.
- Individual Payments:** Share a payment link with your chapter members and submit their sizes and payment.
- Venmo:** Through the individual payment link, you can also checkout via Venmo! (Checkout must be on a phone that has Venmo app downloaded on it.)

Also, for Individual Payment links:

- Don't be afraid to send this link out all the time in group chat!
- It's your job to make sure everyone has the link and knows when the order is due!
- Make sure you send lots of reminders about orders or else you will have a hard time to order and make your position more stressful.
