- 2.3 The Referrer is required to have an IB account to generate their own referral link before proceeding to make a referral. The Referrer will be able to do so via the Friend Referral module on Fullerton Suite. If the Referrer does not have an existing IB account, the Referrer is required to open one.
- 2.4 A Referred Client can also be a Referrer by opening an IB account. A unique referral link will similarly have to be generated before any referrals are made.
- 2.5 This promotion is calculated per Client, and not per MT4 ID.
- 2.6 This promotion is limited to one (1) active referral per residence. The Referrer and Referred Client should not belong to the same household.
- 2.7 This promotion will only be calculated based on valid closed trades that fall within the period of 3rd May 2021 to 31st May 2021.
- 2.8 The Referred Client must make a minimum deposit of USD200 or its equivalent to be eligible for this promotion. The minimum deposit is only inclusive of fresh funds that are deposited during the promotion period.
- 2.9 A minimum of five (5) trades needs to be made by the Referred Client during the promotion period to be eligible for the promotion.
- 2.10 Fresh funds refer to funds that were not withdrawn and re-deposited within seven (7) days during the promotion period. MT4 transfers and third-party funding do not constitute as an eligible deposit.

- 2.14 If the Company suspects or has reason to believe that a client has abused or attempted to abuse the terms of this promotion or any other promotions of the Company, or has acted in bad faith, the Company reserves the right, at its sole discretion, to deny, withhold, withdraw, or terminate the offer and, if necessary:
 - 2.14.1 to withhold, cancel and charge any costs it deems, from that client's account(s),
 - 2.14.2 to terminate that client's access to services provided by the Company and/or terminate the contract between the Company and the client for the provision of services,
 - 2.14.3 to block that client's Account(s) and to arrange for the transfer of any unused balance, less the offer amount, as well as any profits which the Company deems to have been gained via Abusive Behaviour, to the client. Where Abusive Behaviour includes but is not limited to:
 - 2.14.3.1 Where a client, by himself or acting with others (including an Introducing Broker/Affiliate/Money Manager) established a trading position or positions which have the purpose or effect of extracting the profits generated by the promotion, without exposure to economic risk, including without limitation loss of the offer or the client's capital (or the capital of others).
 - 2.14.3.2 Where the client, by himself or acting with others (including an Introducing Broker/Affiliate/Money Manager) hedges his positions, including without limitation, holding open position(s) on one direction, including by way of illustration only, single or correlated currencies, at given periods, internally (using other trading accounts held with the Company) or externally (using other trading accounts held with other brokers).
