

# TransQuip Safe Work Site

## COVID-19 Key Measure

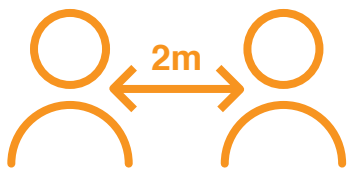

Physical Distancing

Site Set-up

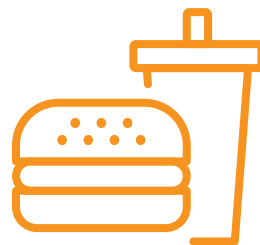

Deep Cleaning Schedule

### The 2m Rule

In adherence to the Government guidelines, we will apply the 2m rule at all times on site

### No Sharing Food or Drink

All site workers must supply their own food and drink

### No Shared Kitchen Items

All site workers must supply their own food, cutlery, plateware and drinking vessels. These must be taken home on a daily basis

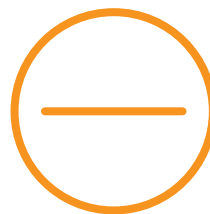

### Daily Pre-Site Health Checks

All contractors and visitors, prior to coming to site, provide written declaration confirming they have no symptoms or have had contact with potential or confirmed COVID-19 cases

### Restricted Site Access

Site Managers will control access according to Alert Level

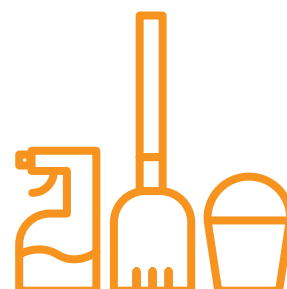

### Zero Tolerance

We have authority to remove any non-complaint individuals from site

### Mandatory Hand Washing and Sanitising

Wash and sanitisation stations throughout site

### Professional Cleaning

Daily professional site cleans using hospital grade disinfectant on all shared surfaces

### Doors Propped Open

Site Managers to prop all non-secure doors open to minimise need to touch handles
