The procedures to be followed by the College in making evaluations shall be published in writing and distributed to the bargaining unit. Prior to the implementation of any changes to these procedures, officers of the bargaining unit will have the opportunity to review and make recommendations on such changes. If the changes are not mutually accepted, the College may proceed without accepting the bargaining unit's recommendations.
- VI.D.2. The College recognizes the bargaining unit's desire to have evaluation procedures accurately communicated and consistently applied. To further this end, prior to the beginning of each fiscal year (July 1st of each year) the College agrees to publish the final set of evaluation procedures to be applied during the upcoming evaluation cycle. During a two-month period prior to the publication of these procedures (April 1st through May 31st of each year), the Labor Relations Committee shall meet to discuss bargaining unit concerns relative to the evaluation process and any proposed changes to the evaluation system.
- VI.D.3. Evaluations may be used to indicate a need for a development program to be initiated in order to improve performance. A development program shall be presented to the affected employee in writing by his/her supervisor or an administrator familiar with the employee's work expertise and will become part

of that employee's personnel file. The College shall have the right to require an employee to participate in a development program when it deems appropriate. The notice shall contain the title, the department involved, a brief job description, core skills, deadline to apply, "Pay Classification" and range of pay.

An employee who wishes to be considered for the posted job must adhere to the process outlined in the job posting. All Bargaining Unit employees on layoff shall be sent the posting by email. It is the responsibility of the laid off employee to provide Human Resources with a current email address.

In situations in which the successful bidder (based on qualifications and performance, and where performance and qualifications are otherwise equal seniority shall be the determining factor) is clearly known, the College and the Union may jointly waive the posting requirements.

#### VI.G. Job Vacancies (Voluntary Transfer)

#### VI.G.1. General

A voluntary transfer is a permanent change in position. Employees typically initiate a voluntary transfer. No employee may utilize the voluntary transfer procedure to obtain a permanent change of position more frequently than once per period of twelve (12) consecutive months, unless otherwise mutually agreed by both the College and such employee.

No Bargaining Unit employee under active discipline shall be approved for a voluntary transfer.

#### VI.G.2. Order of Filling Vacancies

VI.G.2.a. Department: First consideration will be given to the employee(s) within the opening's department. The most senior qualified employee as determined by the College will be granted the open

position. Any resulting opening within the department shall be filled by repeating the above process until a final departmental vacancy exists.

- VI.G.2.b. Division: First consideration for the final departmental vacancy will be given to the employee(s) within the opening's division. The most senior qualified employee as determined by the college will be granted the open position. If such final College-wide vacancy is not taken by a person on layoff (or there are no such qualified employees), it shall be filled per the discretion of the College.
- **VI.G.2.d.** The College shall use the following criteria for skill determination when evaluating internal transfer candidates:
  - Core criteria skill as listed on the bottom of each job description, under "minimum skill requirements."
  - If the senior bidder has worked in a similar job, and has completed probation given that core criteria minimum skills have been previously demonstrated, the bidder will be transferred without questioning qualifications.
  - If, however, the bidder has not worked in a similar job and is the most senior bidder, Human Resources reserves the right to test the bidder, by test and/or demonstration to meet the minimum core criteria skill requirements.
     Failure to demonstrate minimum core criteria disqualifies the bidder.
- VI.G.2.e. The successful bidder for the position shall be transferred to the new position full-time as soon as possible after he/she has been selected.

# VI.G.2.f. Probation for Job Transferring

• The successful bidder is on probation for ninety (90)

In the event the employee is unable to return to his/her prior position because such position has (1) been eliminated and/or; (2) is being staffed by a more senior qualified employee, said employee shall be transferred to a similar position; if vacant.
- At the end of the probation period, transferred employee(s) not completing probation or extension thereof, will be returned to his/her prior position or a similar position, if vacant. If no such vacancy exists, then the employee(s) shall displace the least senior Bargaining Unit member in a position for which he/she is qualified. Any displacement will conform to the Reduction in Forces procedure.
- At any time during the probationary period a Bargaining Unit member has the option of choosing voluntary layoff status.
- In the event the successful bidder vacates his/her position prior to the ending of the probationary period, the Voluntary Transfer procedure will be effectuated as though the successful bidder's Request for Transfer had not been tendered to Human Resources.

#### VI.H. Temporary Transfer

The College may temporarily transfer an employee to another position for which the employee is qualified for a period of three hundred sixty-five (365) calendar days. Any Employee temporarily transferred shall continue to receive his/her regular rate of pay if the rate of pay in the new position is lower.

If an employee is temporarily transferred to a position outside of the Bargaining Unit for which he/she is qualified, he/she shall remain a member of the Bargaining Unit during the period of such temporary transfer with all rights and privileges enjoyed by other bargaining unit employees.

No employee shall be temporarily transferred a second time until all other qualified employees of the same classification have been temporarily transferred. In no case

#### VI.I. Involuntary Transfer

When a Bargaining Unit member is asked to perform duties at a higher pay classification, the employee will be paid at a minimum of 120% of his/her regular rate of pay. This provision does not apply during an emergency.

#### VI.J. Shift Bidding

Two employees of the same classification and in the same department who work different shifts and wish to exchange shifts on a permanent basis may do so with the consent of the department's immediate supervisor and the College's Human Resources administrator, which consent shall not be unreasonably withheld. No employee will be permitted to participate in more than one such voluntary shift exchange per period of twelve (12) consecutive months.

#### **VI.K.** Job Descriptions

  - VI.K.3.a. In the event that a position becomes vacant for which the core skills were changed, then for a period of 120 days from the change, the new core skills shall not bar an existing Bargaining Unit member who would have otherwise qualified under the previous core skills for the position.

- VI.K.3.b. In the event of a reduction in force (RIF), shall not bar an existing Bargaining Unit member from bumping into any core skills changed less than 90 (ninety) days prior to the reduction in force (RIF) announcement a position for which he/she would otherwise have been qualified under the previous core skills.

#### VI.M.3. Flex Time

When business conditions permit, supervision may allow employees limited leeway in scheduling starting and quitting times. "Flex time" refers to work schedules that differ from the norm to accommodate special circumstances. Employees must obtain approval by their supervisor and schedule flextime in advance. Variations from the agreed upon schedule in a special situation must be authorized by the supervisor, just as is the case for employees on a standard work schedule. Flex time may not be used to cover occurrences of tardiness. College schedules may take precedent over employee convenience at any time. The College retains the right to cancel flex schedules and require employees on flextime to work standard hours. Flex time is not subject to premium pay or grievance.

#### VI.N. Meal and Rest Breaks

- VI.N.1. Each member of the Bargaining Unit shall have a scheduled, unpaid meal period of either an uninterrupted, consecutive thirty (30) minutes or an uninterrupted one (1) hour, depending upon the employee, department or work area, approximately in the middle of his/her daily shift. In these situations, the immediate supervisor and employee(s) involved shall mutually agree to schedules.
- VI.N.2. All employees shall have a fifteen (15) minute, paid rest period break

## Article X Leaves Absence

#### X.A. Paid Sick Leave

A fulltime employee will earn paid sick leave at the rate of one and one-fourth (1 ½) workdays per month of service. Permanent, part- time employees will earn that percentage of one and one-fourth (1 ½) paid sick leave as is directly proportionate to such employee's regularly scheduled weekly working hours as compared to a forty (40) hour workweek. Sick leave is cumulative for a maximum of two hundred twenty (220) workdays. There will be no compensation for absence due to personal illness or injury in excess of accrued sick leave.

An employee earning sick leave from another Ohio public employer may transfer 50% of the accumulated sick leave up to a maximum of ninety- (90) workdays.

Sick leave may be used by full-time employees who find it necessary to be absent for reasons of personal illness, personal injury, personal disability or illness in the immediate family (see Glossary) Paid sick leave entitlement also may be used for other reasons as provided in the following sections of this

Article. A statement of the general nature of illness or fitness may be required to return to duty. Where the College requires an examination by a doctor of its choice, the College will pay the cost of the examination.

#### **Doctor's Certificate**

When for three (3) or more consecutive workdays or as otherwise potentially FMLA qualifying or if the College reasonably suspects unjust cause of leave, an employee who is absent on sick leave due to personal illness or injury or immediate family illness or injury shall be required to present a doctor's certificate from any medical provider including, but not limited to, 1-800-MD, minute clinic, etcetera, stating the cause of the absence.

Sick leave may be considered excessive when the rate of absence is five (5) percent or more of the working days within a "rolling calendar year." The 5% shall be applied against the number of hours of sick leave that occur on a rolling calendar year basis. When the employee has worked four (4) consecutive months without using sick leave (after having reached the 5% criteria), the five (5) percent criteria must again be re-established prior to a request for a doctor's certificate, on this basis can be renewed. The purpose of this language is to discourage the frivolous use of accumulated sick time. Excessive use of sick leave shall not include hospital stays, outpatient surgery or extended illness. In cases in which an employee suffers from an ADA-qualifying illness, which is physician-verified, special consideration will be given to the application of disciplinary sanctions related to the 5% rule. (See Appendix C for an explanation of the "5% Rule.")

Employees utilizing sick leave shall comply with the provisions of Section F of this Article.

such proposed scheduling must be delivered to such supervisor or designee not less than three (3) working days prior to the day sought to be taken off. If no response is given by the supervisor, the requested day off shall be deemed approved. In case of an emergency, personal days will be approved the same day as needed.

#### X.E. Bereavement Leave

Available paid sick leave may be used for up to five (5) consecutive work days in the case of death of an Extended Family member to attend the funeral. In cases of death in the Immediate Family, one of the five available days may be taken without any deduction from accumulated sick leave. All effects of the Workers' Compensation Law will be followed.

- **XI.A.2.** Seniority is calculated from the first day worked by the employee in a Bargaining Unit position.
- XI.A.3. A fulltime employee shall be credited with one Seniority Year (twelve seniority months) for each completed employment year. Two fulltime employees, one of whom works only nine months per employment year and the other of whom works all twelve months per employment year, each shall be credited with twelve seniority months, i.e. one full Seniority Year.
- XI.A.4. No employee's seniority shall be recognized for any purpose under this Agreement until he/she has completed the probationary period. Upon completion of such probationary period, the employee shall be credited, for seniority purposes, with the time worked during such period.

## XI.B. Loss of Seniority

## XI.C. Suspension of Accrual

Layoff, acceptance of a non-bargaining unit position or taking of an extended Personal Reasons Leave of Absence (more than 30 leave days in any contract year) shall constitute an interruption of the employee's continuous service and accrual of seniority shall terminate, but previously accrued seniority shall not be lost. If the employee returns to bargaining unit employment prior to expiration of recall rights (in the case of layoff), prior to expiration of the twenty- fourth month (in the case of accepting a non-unit position), or within twelve (12) months (in the case of Personal Reasons Leave), he/she shall continue to be credited with the amount of seniority he/she possessed at the time of the interruption and accrual shall again commence upon return.

## Article XII Attendance and Tardiness

XII.A. Absence defined: Absence is the failure of an employee to report for work when the employee is scheduled to work.

XII.A.a. Excused Absence occurs when all four of the following conditions are met:

- The employee provides sufficient notice to his or her supervisor;
- ii. Such absence request is approved by his or her supervisor, pursuant to the term of this Agreement;
- iii. The employee has sufficient accrued leave time to cover such absence or has been approved for an unpaid leave of absence.

XII.A.b. Unexcused Absence occurs when one, or more, of the three conditions in (A.a.) is not met, unless waived by the supervisor.

XII.B. Sufficient Notice – To be considered an excused absence as defined in a), sufficient notice must be given to the supervisor. Sufficient notice is:

XII.B.a. For a scheduled absence of 8 hours or more, employees must give a notice of one week (7 calendar days).

XII.B.b. For a scheduled absence of less than 8 hours, employees must give a notice of two working days.

XII.B.c. For an emergency (unscheduled) absence

- i. employees must notify their supervisor 30 minutes prior to the beginning of their shift, or
- ii. during the employee's shift; employees must notify their supervisor prior to leaving the premises.

#### XII.C. Procedures

The supervisor must approve any exceptions to this provision or any conflicts in scheduling.

Employees must take earned accrued time for every absence unless otherwise allowed by college policy (e.g. Jury Duty, etc.). Hocking College uses a calendar year when determining an excessive amount of unexcused absences.

If it is necessary for an employee to be absent or late for work because of illness or an emergency, the employee must notify his/her supervisor no later than 30 minutes after the employee's scheduled starting time on that same day. If the employee is unable to call, someone must make the call for the employee.

Twenty-five (25) hours (based on a rolling calendar year) of unexcused absence may subject employee to immediate termination. Progressive discipline will be administered according to the table below.

An unexcused absence will be documented for all employees who miss work when they are out of accrued leave time (sick/vacation), unless FMLA guidelines require a different practice.

Employees who have three (3) consecutive days of excused absences because of illness or injury must give Hocking College proof of physician's care. If an illness or injury prevents an employee from performing their regularly scheduled duties, a physician's statement must be provided verifying:

- a. The nature of the illness or injury;
- b. If and when the employee will be able to return to work, if applicable; and
- c. Whether the employee is capable of performing their regularly

scheduled duties, and if not, what duties the employee is capable of performing.

The employee is responsible for providing Hocking College with the above described physician's proof of physician's care. Without an acceptable excuse, the employee may be subject to immediate termination.

#### **Tardiness**

All employees are expected to report to work on time. If an employee cannot report to work as scheduled, the Supervisor should be notified no later than 30 minutes after the regular starting time. This notification does not excuse the tardiness but simply notifies the Supervisor that a schedule change may be necessary.

There is a 5-minute grace period in the morning and a 2-minute grace period when coming back from lunch. Supervisors will track when this grace period is used in excess, i.e. more than 10 times in one year. Once an employee has used 10 grace period allowances, they will forfeit use of a grace period and any tardiness will result in an unexcused absence.

Progressive Discipline for Unexcused Absences (based on a rolling calendar year)

First Instance	Verbal Warning
Second & All Future Instances	Written Warning
Totaling Fewer Than 17 hours	-
At 25 Hours of Accumulated	Subject to Termination for Just Cause
Unexcused Absences

- XIII.C.2. Employees are expected to perform their duties and to follow College policies and procedures. Failure to do so may result in discipline. To maintain effective and efficient operations, the College routinely updates policies and procedures which, when finalized, will be posted on the College's website. It is the responsibility of each Bargaining Unit employee to review the policies and procedures on a regular basis.
- **XIII.C.3.** In instances of severe or repeated violations, the College reserves the right to implement immediate action, up to and including suspension from employment.

## XIII.D. Discharge

- XIII.D.1. No employee shall be discharged prior to the holding of a discharge hearing. The College, however, may suspend the employee from duty pending the discharge hearing. Such suspension shall be with pay for up to three (3) working days unless the hearing occurs earlier. Such suspension shall be with pay for more than three (3) working days in the case of unforeseen circumstances as mutually agreed to by the parties.
- **XIII.D.2.** If the hearing is delayed beyond three (3) working days due to the Association's inability or failure to provide representation as specified in Subsection 3 of Section B of this Article, the balance of the suspension shall be without pay; provided, however, that the employee may elect to proceed with the hearing without Association representation at any time.
- **XIII.D.3**. If the hearing is delayed beyond three (3) working days due to the fault of the College, the suspension shall continue to be with pay until such time as the College gives the employee notice that it is ready to proceed.
- **XIII.D.4**. Loudermill hearings are conducted by the Human Resources Administrator. The purpose is to provide the employee an opportunity to respond to the charges delineated by the College.

### XIII.E. Appeals

Disciplinary decisions are not grievable unless the process itself has not been followed or unless just cause has not been shown. Where applicable, Article IV, Grievance Procedure, may be used to appeal a disciplinary action.

## Article XIV Probationary Period

- **XIV.1.** All new employees shall be considered to be on probation for a period of 180 calendar days, commencing the first day in the position. However, the College may extend this probationary period for an additional 90 calendar days when deemed appropriate to determine the adequacy of core skills in those areas; this may be done only once for a given employee.
- **XIV.2.** If an employee is discharged or quits while on probation and is later rehired, he/she shall be considered a new employee and subject to the provisions of full probation.
- **XIV.3.** The retention or release of a probationary employee shall be at the discretion of the College and is not subject to the Grievance Procedure.

## XIV.4. Probationary Rights

In all other respects, a probationary employee shall be deemed a Bargaining Unit member and covered by the process of its Agreement.

**XIV.5.** Probationary employees shall not be entitled to benefits of Tuition Reimbursement Clause.

## Article XV Reduction in Forces – Recall

### XV.A. Notice

When the College determines that a reduction of the workforce is necessary, where possible, it will give the affected employee(s) and the Union's President thirty (30) calendar days advance, written notification of the contemplated effective date. The College, at its option, may choose to identify a department(s) or a position(s) that is to be reduced. In all events, the affected employee(s) and the Union President will be given actual, advance, written notice by registered letter of the layoff date not less than seven (7) calendar days before the effective date of the layoff.

In the event the College is adding personnel at the time it wishes to decrease personnel, the additional positions should be filled prior to implementing a reduction.

### XV.B. Retention Priority

When a reduction in the workforce is necessary, said reduction will be effectuated in keeping with the following:

- **XV.B.1.** The College first will attempt to obtain the necessary reduction through known attrition defined as planned resignations or retirements of which the College has been advised.
- **XV.B.2.** If additional reduction is necessary, it will be achieved first by releasing Temporary Employee(s) who perform the same or similar duties in the same department as any bargaining unit employee targeted for layoff.
- **XV.B.3.** If additional reduction is necessary, it will be achieved next by releasing newly hired, probationary employees in the department to be impacted by the reduction and performing the same or similar duties as the positions being impacted by the reduction.
- **XV.B.4.** If additional reduction is necessary, it will be achieved next by the layoff of Temporary Employee(s) in the department to be impacted by the reduction and performing the same or similar duties as the positions being impacted by the reduction.
- **XV.B.5.** If additional reduction remains necessary, such will be achieved by the layoff of fulltime employees in reverse order of seniority in accordance with the procedure outlined in Item C below.
- **XV.B.6.** It is understood that the foregoing order of priority applies only where, following the release or layoff of the subject employees, the remaining employees are qualified to and capable of performing the department's essential work.

## XV.C. Displacement Procedure

When the College identifies a position that is to be eliminated, the employee assigned to the position will exercise the displacement procedure. If more than one position is eliminated, the procedure will be exercised by the affected employees in order of seniority, provided that the rules of retention priority are followed.

XV.C.1. The first step of the procedure requires that the employee assigned to the eliminated position displaces the least senior employee within the same department and performing the same or similar duties to the employee whose position was eliminated. The employee assigned to the eliminated position or the displaced employee may then bump a less senior employee in the same department provided the employee meets the minimum qualifications (as stated in the job description) to perform the position into which he/she seeks to bump. Where qualifications are otherwise equal seniority shall be the determining

factor. This displacement is repeated until the options within the department are complete. If an employee is unable to displace an employee under this procedure, they must then accept a lay-off. A bargaining unit employee under active discipline is not allowed to bump another employee.

XV.C.2. The Human Resources Office reserves the right to assess the qualifications of affected Bargaining Unit members to exercise such displacement in Item 1 above. In assessing qualifications, the Human Resources Office shall utilize the core skill criteria listed on the bottom of each job description under minimum skill requirements. Demonstration of core skills proficiency shall be the required basis for a Bargaining Unit member to displace a less senior Bargaining Unit member. He/she may be tested or may demonstrate proficiency in the same manner and level of proficiency as any new employee. Core criteria skill(s) information shall be given in writing to the employee(s), a minimum of five (5) calendar days prior to the administration of the testing and/or demonstration.

The employee shall be informed in writing if he/she is deemed qualified for such position(s) following such testing and/or demonstration of core criteria proficiency. The Bargaining Unit member deemed qualified, who elects to displace another Bargaining Unit member, shall not be required to serve a probationary period, nor shall he/she be entitled to any additional training not otherwise afforded to a new employee.

- XV.C.3. A Bargaining Unit member who displaces another Bargaining Unit member in the same pay classification shall remain at the same rate of pay that he/she received in the vacated position. A Bargaining Unit member who displaces another Bargaining Unit member in a different pay classification shall move to the same step on the new pay classification provided, however, that his/her salary shall not be increased or decreased more than \$2,500 annually. If such placement exceeds the \$2,500, then the Bargaining Unit member shall be placed on the step of the new pay classification that comes closest to the \$2,500 increase or decrease but not exceeding \$2,500. If, in the transfer process, an employee falls below step 1 of the new pay classification the employee will be placed on step 1.
- XV.C.4. A Bargaining Unit member may, at his/her option, choose to take layoff status rather than initiate displacement as provided herein. A Bargaining Unit member so choosing, shall move directly to layoff status and shall receive all rights and benefits provided in this Article. Such notification must be received, in writing, by the College within five (5) calendar days prior to the position's elimination. If the Employee subsequently changes his or her mind, the action may be reversed subject to the College's approval.

## XV.D. Rights While On Layoff

Bargaining Unit members on the recall list will have the following rights:

- **XV.D.1.** No new Bargaining Unit members will be employed by the College while there are Bargaining Unit members on the recall list who are qualified for the vacancy.
- **XV.D.2.** Bargaining Unit members on the recall list will be recalled in order of seniority to vacancies for which they meet the minimum qualifications (as stated in the job description).
- **XV.D.3.** A Bargaining Unit member on the recall list will, upon resuming active employment status, return to status with the same seniority, accumulation of sick leave, and the pay classification placement as required by the provisions of this Article.
- **XV.D.4.** The employee will be offered conversion and COBRA rights as required by law for applicable insurances.
- **XV.D.5.** Bargaining Unit members shall maintain their recall rights for a period of three (3) months from the last date worked.

#### XV.E. Recall Procedure

Whenever, in the judgment of the College, it is necessary to increase the Bargaining Unit workforce in any department following a layoff of employees, the laid off employees with unexpired recall rights will be recalled in order of greatest seniority, provided that the recalled employee is qualified to perform the available work. (Refer to language in Article VI.J.3.c.) An employee is deemed qualified for any position, which he/she previously performed successfully as a College employee as a regular classification. Where, however, the employee claims training and/or outside experience which qualifies him/her for the pending opening and has notified the Human Resources Office of such claimed qualifications before the recall process (written notice of recall) has started as to another laid off employee, the College will grant such claiming employee a trial period of up to fifteen (15) working days in which to demonstrate his/her qualification for and capability of performing the available work. If the employee fails, he/she shall be returned to layoff status and the next most senior qualified employee will be recalled.

#### XV.F. Recall Notice

XV.F.1. The College will give each laid off employee the choice of receiving recall notices via email or certified mail (return receipt not required). It is the obligation of each laid off employee to keep the College's Human Resources Office informed in writing of his or her current email or mailing address in the event a recall may occur. The College fulfills its obligation as to recall by emailing or mailing the Recall Notice to such email or mail address.

XV.F.2. When the College desires to recall an employee from layoff, it shall so notify him/her in accordance with their choice (Refer to XV.F.1) but the employee's obligations to contact Human Resources and to report back to work are computed from the time the notice was sent. The employee will have eight (8) calendar days from the date of the notice to return written acceptance of the offer to the Human Resources Office. If the employee fails to timely respond as required, his/her name will be removed from the recall list.

## Article XVI General Provisions

## XVI.A. In-term Bargaining/Labor Management Council

The parties acknowledge that during the negotiations, which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any and all permissible subjects or matters for collective bargaining and that all understandings and agreements arrived at by the parties after exercise of said rights are set forth in this Agreement. Therefore, the College and the Union, for the duration of this Agreement each voluntarily and unqualifiedly waives the right and acknowledges that the other is not obligated to bargain collectively with respect to any subject or matter referred to, covered by, included in, or omitted from this Agreement, even though not within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement. However, should both parties agree to bargain, the In-Term Bargaining Council (IBC) shall be utilized.

## XVI.A.1. In-Term Bargaining/Labor Management Council

An In-Term Bargaining/Labor Management Council (IBLMC) shall be established with the effective date of this contract. The IBLMC shall consist of six (6) members; three (3) members appointed by the College including at least one representative from Human Resources and three (3) members appointed by the Association. The IBLMC will be established without delay after the effective date of this contract. Meetings are to be scheduled monthly. Any exceptions will be a joint decision of the IBLMC.

The College shall meet with IBLMC to discuss bargaining unit concerns relative to the evaluation process and any proposed changes to the evaluation system and the organization structure of the College as affects the terms of this Agreement.

## XVI.A.2. Objectives

The objectives of the IBLMC shall be to:

**XVI.A.2.a.** Provide opportunities for communication between HCEA members and the administration.

- **XVI.A.2.b.** Expand and improve working relationships between the Union and the administration.
- **XVI.A.2.c.** Assist staff and the administration in solving problems of mutual concern when possible. Difference of opinion regarding what constitutes "mutual concern" cannot be grieved.

## XVI.A.3. Authority

- **XVI.A.3.a.** The IBLMC shall have the authority to bargain wages, terms and conditions of employment, and/or responses to changes in, or new, federal or state legislation.
- XVI.A.3.b. Any bargaining during the duration of this contract, except the bargaining for a successor contract, shall be through the IBLMC. A majority of the IBLMC shall be required for recommendation of approval for an addendum to the Agreement.
- XVI.A.3.c. An agreement reached on an issue by the IBLMC shall be memorialized and the contract modified upon approval and posted on the College's website contingent upon approval by the Association membership and the College's Board of Trustees. If agreement is not reached on an issue by the IBLMC, no changes shall be made in wages, terms and conditions of employment from those currently in existence.

## XVI.B. Policy Changes

The College shall make any and all necessary changes in its policy, procedure and practice necessary to be consistent with the terms and conditions of this Agreement.

## XVI.C. Entire Agreement

During the life of this Agreement, the College's Management Rights shall be limited only by the express terms of this Agreement and any revisions in the form of a MOU reduced to writing and signed by the parties during the term of this Agreement. Both parties agree that they have had a full and fair opportunity to negotiate concerning any and all issues affecting wages, hours, terms and conditions of employment, that this Agreement contains the entire result of those negotiations and that the absence of any express limitation on any of the College's Management Rights shall be interpreted to mean that the parties negotiated over such a proposed limitation and agreed to exclude it from this Agreement.

#### XVI.D. Effect of Law

If, during the life of this Agreement, it is determined that a part of this Agreement is contrary to federal law or any state law which may not be superseded under Chapter 4117 O.R.C., thereby making any part of the Agreement inoperable, such shall be reason for the parties to meet within thirty (30) calendar days to make such modifications as are necessary to make the Agreement whole and operable as may be mutually agreeable.

## Article XVII No Strike/No Lockout

## XVII.A. Non-Interruption

The College and the Union subscribe to the principle that any and all differences arising under this Agreement should be resolved without any interruption of the College programs and operations. Therefore, the Union agrees that during the term of this Agreement, it shall not directly or indirectly call, authorize, instigate, engage in, support, encourage, ratify, assist in any way, or sanction any strike, sympathy strike, slowdown, work stoppage, or any other interruption or interference with the normal operations of the College.

### XVII.B. Employees Bound

In addition, no employee shall instigate or participate, directly or indirectly, in any strike, sympathy strike, slowdown, work stoppage, or any other interruption or interference with the normal operations of the College. Violation of this provision shall be proper cause for disciplinary action, including discharge at the College's sole discretion. The sole question of whether a Bargaining Unit member has engaged in any conduct prohibited by the provision is to be reviewed through the Grievance Procedure.

#### **XVII.C.** Affirmative Efforts

In the event any violation occurs by employees in the No Strike/No Lockout, Sections A and/or B, upon written notice from the College, the Union shall actively discourage and endeavor to prevent or terminate any violation of this provision by using its best efforts to immediately notify all employees that the strike, sympathy strike, slowdown, work stoppage, or any other interference with normal College operations is in no way sanctioned or approved by the Union.

### XVII.C.1. Rights

The Union officials may use any College facilities and resources available to immediately advise the involved employees to return to work at once and desist from the work disturbance.

## XVII.C.2. Responsibility

At the time the College notifies the Union, in writing, of employee violation of this provision, the HTCEA shall contact HC Human Resources Officer to discuss and formulate joint activities to return College operations to normal as soon as possible.

## XVII.D. Lockout

The College agrees that during the term of this Agreement, it shall not lock out any Bargaining Unit members covered by this Agreement.

## XVII.E. Direct Access

Questions of compliance with this provision may be referred to SERB or courts of appropriate jurisdiction for prompt, remedial action not withstanding any other provision of this Agreement.

## Article XVIII Duration

## Appendix B Professional Development

- 1. Support staff employees who obtain 36 college credits will receive a \$250.00 increase in their base salary. When the same employee obtains an additional 37 college credits for a total of 73 college credits, the employee will receive another \$250.00 increase to his/her base salary. When the same employee obtains an Associate Degree or its equivalent, the employees will receive a \$400.00 increase to his/her salary.
- 2. To receive the bonus to the base salary all coursework, training, workshop, etc. must be pre-approved by the supervisor as being related to the employee's current position and considered "advanced" professional development, not education/training that is required for an employee to maintain job performance.
  - Continuing education that is required to maintain performance of duties is not considered as "advanced" professional development and does not count towards the increase to an employee's base salary.
- 3. College courses will carry the pre-determined credit hours. Seminars, workshops, and other training courses that do not have "credit" attached will have their credit equivalency determined by Human Resources using the Ohio Board of Regents guidelines. Documentation from the organization conducting the training that specifically states the course objectives, content, contact hours and outside assignments, will be required so that the credit equivalency can be determined. Any employee who does not submit the proper documentation will not receive credit for the training.
- 4. This system will not be retroactive. College credits earned prior to the effective date of May 11, 1998, that are documented on an official college transcript, will not be compensated, but will be counted towards the next appropriate level of credits required for an increase to the employee's base salary.
- 5. The employee must have obtained a minimum grade of C- in any course where letter grades are given or a 2.0 or a 4.0 scale or its equivalent where numerical grades are given. If only "pass/fail," "satisfactory/unsatisfactory" or "complete/incomplete" is given, the employee must receive the grades required for the granting of course credit by the offering institution. In cases of training conducted through a seminar, workshop, etc. where participants do not receive any of the aforementioned marks, it will be necessary to submit a certificate of completion or a signed statement from the institution or agency which conducted the training stating that the employee completed the program.
- 6. Professional development plans outlined by the Bargaining Unit employee may be attached to his/her performance appraisal form. It is understood that the "plan" is voluntary in nature and a decision to discontinue the course work or unsatisfactory progress shall not impact negatively on the employee's evaluation.

## Appendix C Five Percent Rule

Establishment of the "5% Rule" was based on what is considered as an excessive absence rate in business and industry. Employee attendance should be monitored on a regular basis by the supervisor. Supervisors should alert employees when they are nearing the 5% mark so that the Bargaining Unit member may monitor his/her own attendance. Once an employee reaches the 5% maximum, supervisor should notify the Office of Human Resources.

Calculation of the 5% rule includes the following amount of sick leave based on a rolling calendar year.

Number of Months Number of Hours

12 months > 104 hours of sick leave 11 months > 96 hours of sick leave 10 months >88 hours of sick leave 9 months >80 hours sick leave a

Calculation of the number of hours of sick leave related to the "5% Rule" are based on a "rolling calendar year." (1/20/02 to 1/20/03, the 1/21/02 to 1/21/03, etc.)
