GENERAL INFORMATION

Students are able to apply for housing by going to www.hocking.edu/residence-halls and selecting the button to apply for housing.

- Applicants **must** have already completed an application to the College in order to apply for housing.

The applicant is able to select the term for which they're applying.

- There is **NO Autumn Semester only** option. The housing contract is for the duration of one academic year or your certificate program.

Applicants are able to select their preferred housing.

- For quick reference, the individual building and occupancy listings can be found on the Hocking College website at www.hocking.edu/residence-halls.

ROOMMATES

Applicants are able to list preferred roommates on their housing application. The application process includes a roommate matching questionnaire. It is very important that the student complete the questionnaire and **not** the parent.

- Students who've already provided us with their preferred roommate information still need to submit this questionnaire in the event that their preferred match decides not to attend.

ROOM ASSIGNMENT

Room assignments will be made on a first-come, first-served basis once we have confirmed that your full cost of attendance is covered. Notification will be sent to the student's Hocking College email address.

PAYMENT

To reserve a room, submit a dorm application with the \$60 non-refundable application fee.

- A \$250 security deposit is due prior to room assignment.
- The security deposit is non-refundable if a dorm cancellation occurs less than 30 days before the start of classes, if damage is reported in the dorm or if the room is missing items at checkout.
- If your first option is not available, your balance will be adjusted up or down to reflect the actual room.
- If payment is made with a credit card, a \$5 processing fee will be applied.

ALTERNATIVE FINANCING OPTIONS

For some students, the total direct costs to attend college may exceed the amount of financial aid a student is eligible. If the student's financial aid is not enough to cover all educational charges, then there are alternative financing options available to help cover the gap.

PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

Parents of dependent students may apply for a parent loan through the U.S. Department of Education. This is a credit based loan and if approved the parent may borrow up to the cost of attendance minus all other aid the student may be receiving. If the PLUS is denied, then the student becomes eligible for an additional \$4,000 Unsubsidized Stafford Loan for the award year (\$2,000 AU20 and \$2,000 SP21). The PLUS must be a denied for the student to have this additional student loan eligibility and the student must inform Financial Aid that they want the additional student loans to process.

To apply for the PLUS, the parent must follow these steps:

- 1) Go to studentloans.gov
- 2) Sign in using your (the parent's) Federal Student Aid (FSA) ID #
- 3) Click on Parent Borrower
- 4) Apply for the PLUS
- 5) Complete the PLUS MPN

HOCKING COLLEGE WORK SCHOLARSHIP

If your remaining balance to pay is \$2,500 or less for the semester, after all charges and expected aid have been posted, you may be eligible for the HC Work Scholarship for \$1,000. The difference that you will owe may be placed on a Cash Payment Plan. To receive this scholarship, you must agree to work in a student employment position at Hocking College. Please see your financial aid representative to confirm if you qualify.

CASH PAYMENT PLAN

If your remaining balance to pay is less than \$1,500, after all charges and expected aid have been posted for Autumn semester, you may establish a Cash Payment Plan. The payment plan may not exceed \$1,500 and will be divided by 4 with expected payments of \$375 per month. Your first payment, as well as the \$30 application fee, must be paid by the 1st of the month for the semester you enroll. The full balance is expected to be paid before the end of the semester.

ONE-TIME CASH PAYMENT

You and your parents may make a one-time payment to cover your remaining balance after all charges and expected financial aid have been posted. Payment is due by January 1, 2021.

THIRD-PARTY PAYMENTS

If you plan to use a 3rd party to pay your educational costs, such as military benefits, WIA, a 529 Plan, or other type of payment, you must provide documentation that you are eligible for the funds or proof of available funds to be paid.

ALTERNATIVE STUDENT LOAN

Students may apply for a private student loan which does require a credit check. Our preferred lenders include Sallie Mae (salliemae.com) and Wells Fargo (wellsfargo.com). You may choose a different private lender of your choice who participates in private student loan funding programs. For a better chance of a loan approval, or to secure a better interest rate, it is recommended that you apply with a co-signer. The loan period for the Autumn 2020/Spring 2021 award year is August 17th, 2020 – May 7th 2021.

NOTE: For consideration of scholarships offered by Hocking College, please contact Doug Wells, Director of Hocking College Foundation at foundation@hocking.edu or via phone at 740.753.7010.
