

AS4777.2:2020 Grid profiles

As of 17 December 2021, the full Enphase inverter product suite was listed on the approved CEC inverter register for AS4777.2:2020 compliance.

The table to the right notes the grid profile required for each ANZ region to ensure your installations are compliant with the new regulations.

Region	Grid profile
NSW, ACT, SA, QLD, VIC, and NT	AS4777.2:2020 Region A
WA (Western Power)	AS4777.2:2020 Region B
WA (Horizon) and Tasmania	AS4777.2:2020 Region C
New Zealand	AS4777.2:2020 NZ
