PRODUCT END OF LIFE NOTIFICATION (AMERICAS)

PTN : PTN8

Date : Aug 14, 2020

Subject : Product End-Of-Life Notification for AMERICAS

To : Installers and Channel Partners

Change Type : Major

Description of Change :

This letter serves as formal notification of our decision to End of Life existing Combiner 3C [X-IQ-AM1-240-3C].

This End of Life decision on these products was made as part of our on-going product lifecycle management process.

We have suggested items under “Currently Supported SKU” to fulfil your requirements beyond the discontinuation of these products. These items are competitively priced.

The Affected part numbers are listed below:

Product Number	Product Description	Last Time Buy	Last Time Ship	Currently Supported SKU
X-IQ-AM1-240-3C	AC Combiner Box with IQ Envoy PCB, 80A, 240V split-phase, with integrated LTE-M cell modem and 5-year data plan for US, Puerto Rico, Canada, and Mexico	11/16/20	02/16/21	X-IQ-AM1-240-3C-ES (Combiner 3C-ES)

The new Combiner 3C-ES (X-IQ-AM1-240-3C-ES) is form, fit and function compatible with the currently shipping Combiner 3C (X-IQ-AM1-240-3C). The only differences between the SKUs are:

1. Solar shield painted for a different look (aesthetic)
2. Addition of 2x CT-200-SPLIT for consumption metering
3. New SKU includes 2 years of Labor Reimbursement Program coverage.

RMA Support for existing and older products will continue as they are serviced today.

Qualification Status:

RMA products have been previously identified, unless specifically noted.

Sample Status:

Samples of RMA products are already available. Please contact your local Sales representative.

Approximate Implementation Date:

This change is effective with this notification.

Last Time Buy : Last day on which orders will be accepted by Enphase

Last Time Ship : The orders may be scheduled for shipment through this date

Anticipated Impact:

None is expected

Response Required:

No response required. Please contact your local sales representative if you need assistance with replacement product. For additional information regarding this PTN, contact your local sales representative or by email to pcn_adm@enphaseenergy.com.

Sincerely,

PCN Process Manager
