

The Processes For Pick Up And Destruction For CERTIFIED PRODUCT DESTRUCTION

This guide will show the step by step process for the pick-up and documentation for certified product destruction.

STEP 1

A quote will be provided by a Sales Rep for the waste stream that needs destroying.

STEP 2

Customer will sign the approved quote for scheduling.

STEP 3

The scheduling department will create a pickup document and schedule a date to pickup advising customer of date and time

STEP 4

Pickup is completed and product / waste is brought back to IDR facility for verification and quality control.

STEP 5

Product/waste is destroyed at designated facility and documentation including certificate of destruction is provided to customer for verification. This final step is approximately a 10 day period from the date of pickup from customers location

* Documentation is also mailed with the hard copy of the invoice for customers files
