

Deliver a transportation benefit that your members can depend on

 **Single Source of truth for all rides**
View completed and scheduled rides for all riders and access real-time data to optimize resources

 **Access any vehicle type**
Lyft, Uber, Taxi, Medical Sedan, Wheelchair Van, Stretcher Van, BLS, ALS, SCT/CCT

 **Any payer type accepted**
Facility, Rider, Medicare, Medicaid, Private Insurance

Roundtrip provides healthcare professionals — care coordinators, social workers, service center agents, case managers and more — with an easy-to-use online and mobile platform that connects members with non-emergency medical transportation (NEMT). Through our network of non-emergency medical transportation providers, we are built to make ride ordering simple and fast, ensuring members have a ride to and from their point of care.

How it works:

Trusted by the best in care:

Does your organization struggle with any of the following?

- | | |
|--|---|
| <input type="checkbox"/> Transportation benefits | <input type="checkbox"/> Authorizations |
| <input type="checkbox"/> Member satisfaction | <input type="checkbox"/> Member eligibility |
| <input type="checkbox"/> Supplemental benefits | <input type="checkbox"/> Amount of time booking rides |
| <input type="checkbox"/> Ride costs | <input type="checkbox"/> Too many solutions to stay organized |
| <input type="checkbox"/> Benefit limits | <input type="checkbox"/> Operational efficiency |
| <input type="checkbox"/> ER utilization | <input type="checkbox"/> Access to real-time data and reporting |
| <input type="checkbox"/> Unnecessary re-admissions | <input type="checkbox"/> Scheduling rides in advance |
| <input type="checkbox"/> Follow-up visit adherence | <input type="checkbox"/> Ride status notifications |

If you any of the above, there is a better way. **Roundtrip.**
