

**For an Integrated Daily Management**

# FOR A SUCCESSFUL ENTERPRISE

- > Over 200 expert consultants
- > Over 1,200 customer companies across Canada and beyond
- > Over 2,200 projects successfully completed to this day

## DAMASIX - For an Integrated Daily Management

DAMASIX, Createch's daily management system, allows achieving your daily plan based on elements essential to managing operational performance from the production floor.

With simple and effective visual tools, you will optimize your operational performance by eliminating sources of variation caused by traditional management and supervision practices.

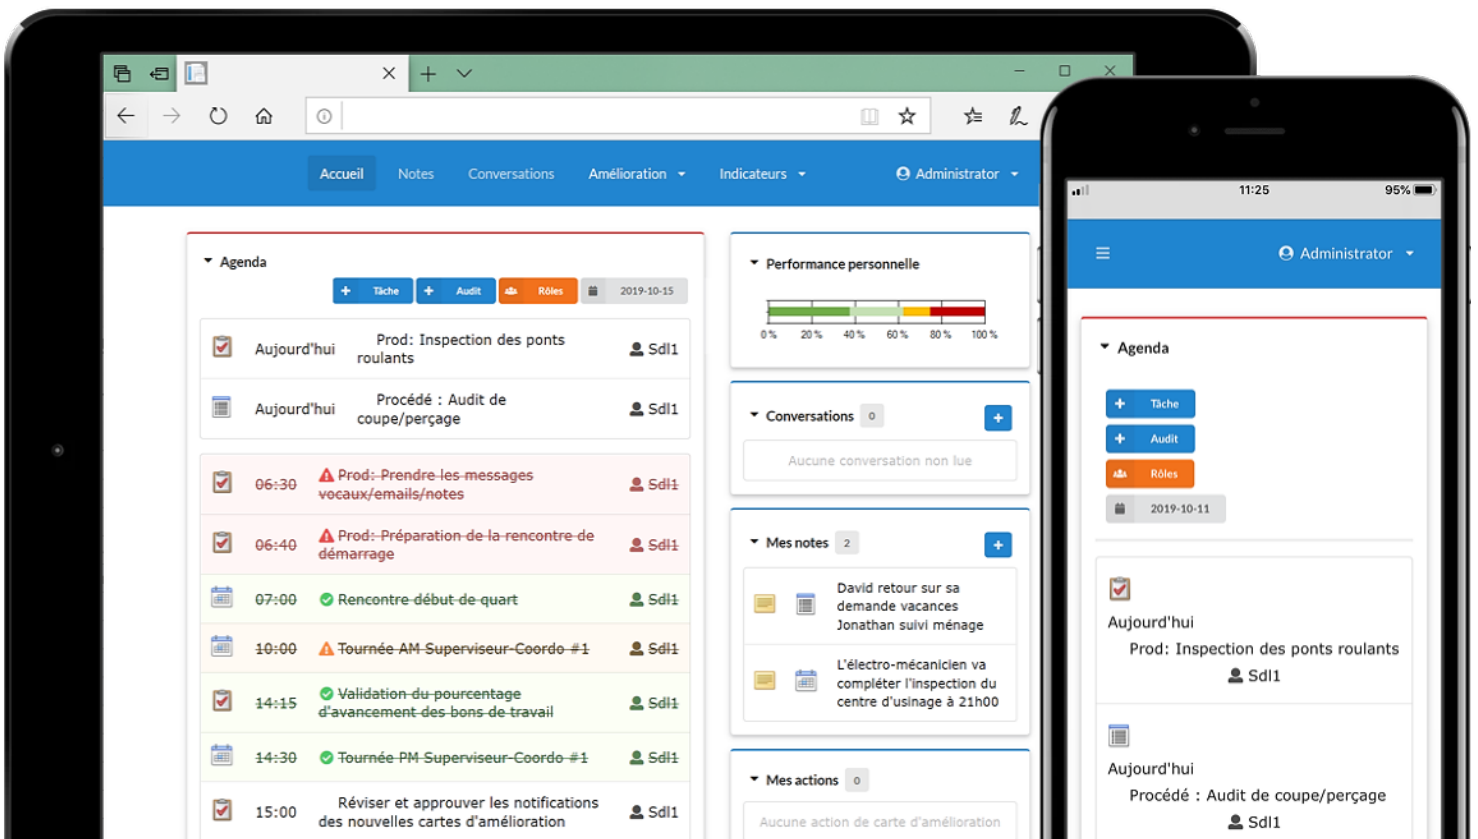

**Frequent Monitoring**  
of actual state

**Quick Response**  
to interruptions

**Suppression of root causes**  
through a structured approach
