

MAXIMUSFIX

We are taking diagnostics to the next level. Once you scan a vehicle, you now have full information right on your screen on how to make the fix.

Access technical service bulletins, flow charts, wiring diagrams and more to aid you in finding the fix faster. Equip yourself with the knowledge you need to get it done.

INNOVATIVE FEATURES AND INTUITIVE DESIGN

Introducing a tablet that ensures you get the most out of every job. In addition to running on an upgraded open Android™ system for a full tablet experience, it also includes new features that will help you get the job completed with ease.

TIME SAVING TECHNOLOGY

Work faster and tackle more jobs with features that were designed to keep you running efficiently. The Maximus 3.0 is always ready when you are and is configured for speed. Don't let your tablet slow you down.

COVERAGE AND CAPABILITIES

The Maximus 3.0 is the fastest, strongest and most intuitive member of the Maximus family with features and capabilities to help you complete jobs faster than ever before with pure confidence.
