Insurance

IMPORTANT NOTICE

Please read the following advice before completing this Proposal Form

Please note that this proposal form is to be completed by the PROPOSER on behalf of all Insureds (as defined in the Policy).

The term "PROPOSER" shall mean the Company listed below and all Subsidiaries of the Company for which coverage is proposed under this proposal form.

When completing this Proposal Form

- Please answer all questions giving full and complete answers.
- It is the duty of the PROPOSER to provide all information that is requested in the Proposal Form as well as to add additional relevant facts.

Note: A relevant fact is such known fact and/or circumstance that may influence in the evaluation of the risk by the insurer. If you have any doubts about what a relevant fact is, please do not hesitate to contact your broker or insurer.

- If the space provided on the Proposal Form is insufficient, please use a separate signed and dated sheet in order to provide a complete answer to any question.
- The Proposal Form must be completed, signed and dated by a person, who must be of legal capacity and authorised for the purpose of requesting Cyber Liability and Data Protection Insurance to act as a PROPOSER.

This proposal form DOES NOT BIND the PROPOSER or the Insurer to complete the insurance but will form part of any insurance policy incepted.

Your Duty of Disclosure

Before you enter into a contract of general insurance with an Insurer, you have a duty to disclose to the Insurer every matter that you know, or could reasonably be expected to know, is relevant to the Insurer's decision whether to accept the risk of the insurance and, if so, upon what terms. You have the same duty to disclose those matters to the Insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of matters:

- that diminishes the risk to be undertaken by the Insurer;
- that is of common knowledge;
- that your Insurer knows or, in the ordinary course of its business, ought to know; or
- as to which compliance with your duty is waived by their Insurer.

(It should be noted that this duty continues after the Proposal Form has been completed up until the time the Policy is entered into.)

Non-Disclosure

If you fail to comply with your duty of disclosure, the Insurer may be entitled to reduce its liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure or misrepresentation is fraudulent, the Insurer may also have the option of avoiding the contract in its entirety. It is therefore vital that you make sufficient enquiries BEFORE you complete this Proposal Form and BEFORE you sign any declaration that there has been no change in the information provided.

Surrender or Waiver of any Right of Contribution or Indemnity

Where another person or company would be liable to compensate you or hold you harmless for part or all or any loss or damage otherwise covered by the Policy, but you have agreed with that person either before or after the inception of the Policy that you would not seek to recover any loss or damage from that person, you are NOT covered under the Policy for any such loss or damage.

Contract by the Insured Affecting Rights of Subrogation

If the proposed contract of insurance includes a provision which excludes or limits the Insurer's liability in respect of any loss because you are a party to an agreement which excludes or limits your rights to recover damages from a third party in respect of that loss, you are hereby notified that signing any such agreement may place your indemnity under the proposed contract of insurance at risk.
