

Group Personal Accident Profile

DUAL Australia is a leading specialty lines underwriting agency which underwrites exclusively on behalf of certain underwriters at Lloyd's.

It's Important...

- Your clients have peace of mind knowing they are insured with an Australian company backed by the world's largest insurance market, Lloyd's of London with an A+(Strong) Standard and Poors Rating.
- Accident and Health claims are handled by Corporate Services Network (CSN). CSN are a specialist third party claims handler with significant industry experience. They specialise in A&H products and work directly with DUAL to ensure all claims are handled in an expert manner.
- DUAL will strive to provide a point of difference to help you and your client get the cover they need to have peace of mind should any mishaps occur.
- While our products are superior, it's our team that makes a difference. Our underwriters across the country are here to assist you quickly and efficiently.
