

Whistleblower Hotline Fact Sheet

The Whistleblower Hotline is a completely anonymous and confidential service where employees, contractors, suppliers and customers can notify suspected or actual fraudulent behaviour, 24 hours a day, 365 days a year.

51% of New Zealand organisations report that they have been the victim of economic crime in the past 24 months.¹ In addition to insuring exposures to crime, fraud and theft, DUAL has negotiated a dedicated whistleblower hotline for our Insureds. This valuable service is provided by PKF Integrity who are one of the largest independent fraud hotline companies in Asia Pacific, helping organisations prevent and expose corrupt and criminal behaviours.

Once PKF Integrity receive contact from a whistleblower, they will notify the nominated Key Contact Persons disclosed by the Insured in the Proposal Form. The whistleblower's identity will be kept confidential.
