

SILVERSNEAKERS AND SAGE SCHOLARS TUITION REWARDS PARTNERSHIP

One more reason for prospects to enroll
in a plan that offers SilverSneakers

Tivity Health®, through a unique partnership with SAGE Scholars Tuition Rewards®, offers the Tuition Savings Program to SilverSneakers® members. Give prospective members yet another reason to enroll in a plan that includes SilverSneakers: They can improve their health and help students with college tuition.

What health plan members need to know

- Tuition Rewards is an included benefit for eligible SilverSneakers members of select participating health plans. To verify eligibility, health plan members can visit **SilverSneakers.com/Check**.
- Members receive 1,000 Tuition Rewards Points just for signing up. (Points are redeemable as discounts on tuition.)
- Members can earn 250 points each month by visiting a SilverSneakers participating location seven or more times in a month.
- 1 point = \$1 tuition discount at more than 400 private colleges and universities.
- There is no cash value. Points can only be redeemed for tuition savings at participating colleges and universities (see **tuitionrewards.com/colleges** for list).
- Members receive access to comprehensive college and career planning tools designed to provide parents and students with best practices and proven strategies to achieve successful college careers.
- Each designated student can receive up to one full year's worth of tuition discounts (spread equally over four years of undergraduate, full-time education).
- Members may accumulate points for designated related family members and godchildren from birth to the start of their junior year of high school.
- There is up to a six-week delay for points to appear in an account after a visit to a participating location.

Example: After registering her grandson as a student through Tuition Rewards, SilverSneakers member Jane visits the local YMCA twice a week for a total of eight times per month. Each month she does this, she sees her grandson's Tuition Rewards climb by 250 points. If Jane does this for six months, she will accumulate 1,500 points toward her grandson's college tuition.

Tuition Rewards® are NOT awarded in cash. If all requirements have been met, by submitting the Tuition Rewards, you are guaranteeing that the student will be awarded scholarships, grants, or other awards at least equal to the amount of points submitted. Eligible students include children, grandchildren and other students in your extended family who have not yet started 11th grade. Tuition Rewards that you earn must be transferred to / allocated to a student prior to August 31st of the year that the student begins 12th grade. A student's Tuition Rewards must be submitted within ten (10) days of application to any participating college or university. Students must be admitted to participating colleges based upon standard admissions criteria. All program requirements, including deadlines and procedures, can be found in the Terms of Service at tuitionrewards.com.

Tuition Rewards points take 60 days to be reflected in your account once your monthly visit requirement is met. You will receive 1,000 points immediately upon registering for your Tuition Rewards accounts. For the month you meet the requirement to visit a participating location at least seven times you will receive the 250 points for that month after 60 days. This schedule is repeated for every month you meet the seven-visit requirement.
