

Painless Dental Billing Solutions.

Billing should never have to feel like a square root canal.

Save time and get paid faster with effortless billing and configurable invoices. Simplify how you build, distribute, monitor, and process billing. Get your moolah moving.

Key Billing Features

Ease of use

- Generate comprehensive and easy-to-understand statements with clear, concise details
- Statements feature an easy-to-find balance, payment instructions, and a list of other dental appointments for members of the same family
- Everything is designed to clearly inform patients and increase the likelihood of full payment you need in one place

Simplified eTransactions

- Obtain patient insurance eligibility within seconds
- Curve's Electronic Remittance Advice (ERA) tool allows you to see what insurance will pay ahead of time
- Store patient benefits in Curve Hero and refer back to payout at any time
- Our eClaims feature enables you to easily view the status of a claim with just a few clicks

Fast adjustments

- Curve Dental's workflow makes adjustments fast and easy by providing all the information you need to make all changes in one place.

Professionally printed dental billing statements

- Select from a comprehensive list of ready-to-run reports you can reference for insights into your practice's performance

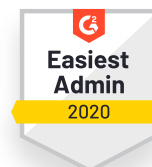

Effortlessly post payments

- Payments are applied to the insurance portion or the patient portion, depending upon the payee, saving you time and money

Easy to learn

- Our crisp, clean approach greatly contributes to more accurate statements
