

Auto-Posting.  
Quicker Cash.  
Better Flow.

**Bing. Badda. Boom. Save your staff over 10-hours a month and create a better workflow when you use Curve’s integrated payment processing partner for electronic card transactions**

Reduce receivables and improve cash flow with fully integrated payment processing. Process debit and credit card payments. Offer your patients electronic payment options to reduce past due accounts, accelerate cash flow, and reduce operating expenses.

**Key Payment Processing Features**

**Save Time**

- Curve Hero users experience up to 10 hours or more of time savings for every 200 credit card transactions each month
- With the swipe of a card, the payment is made and posted to the patient’s account automatically

**Get the most competitive rates**

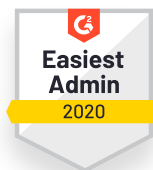

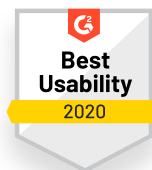

Bluefin, a Curve partner, guarantees that they will meet or beat your current rate

**Convenient payment methods**

- Credit card acceptance
- Process all major cards: Visa®, MasterCard®, Discover®, JCB®, and American Express®
- Debit card transactions
- Enjoy lower transaction fees on both PIN-based and signature debit cards
- No application or setup fees

Canadian Dental Practices: Please call for more information about debit cards.
