Nobel prize for
Dental Forms

Eliminate tedious manual data entry with customizable online dental forms. They're not just smart, they're genius.

Improve your workflow. Save time by giving your patients the option to fill out forms easily, online. Less time in the waiting room means a better patient experience and a more efficient process for your staff. Just more of the Curve Hero charm.

Key Smart Form Features

-  **Easily create forms**
Customize fields to meet your specific needs with quick drag and drop simplicity
-  **HIPAA compliance**
Data is never stored on any device and goes directly into the Curve Dental platform in the secure cloud
-  **Clean, simple interface**
A very friendly user interface makes creating forms with custom fields a breeze
-  **Complete forms anywhere**
 - Patients can complete online dental forms from anywhere via computers (PC or Mac), smartphones, or tablets
 - If a patient provides information that is different from what is already on file, Curve Hero alerts your team so they can verify it
-  **Digital signature**
Your patients can sign any form with any device by simply using their finger
