# COVID-19 signage products for ferries

In order for the ships to comply with the current social distancing guidelines, we have a range of COVID-19 signage available to improve safety on board.

In this document we give you an impression of the possibilities to inform your passengers about the applicable regulations at the different locations in your ship.

## **Signage for every part of the ship**

The signs and tapes in our product range are ideal for use in your general areas, tax-free shops, kiosks, cafes, bar and buffet areas.

A combination of roll up banners, signage, floor markings are the perfect combination to inform passengers about the applicable social distancing rules on your ship. Our products are manufactured from durable materials, are mostly self-adhesive, which makes it easy to install.
