

FAST AND EASY DRUG TESTING

Orange Tree offers a fully integrated background and drug screening experience.

Orange Tree partners with eScreen and Quest to deliver a robust drug test collection site network. Candidates enjoy the convenience of a fully mobile-optimized experience and electronic CCF.

This fully integrated process provides real-time status updates of drug test results and allows for service of all your company's background screening and drug testing needs.

- **CONFIGURABLE TO YOUR POLICY**
Orange Tree executes your policy with customized expiration time frames.
- **REAL-TIME STATUS UPDATES**
Automatic updates every step of the way (sample collection, sent to lab, received at lab).
- **FLEXIBLE TESTING OPTIONS**
Variety of tests available; urine, hair, instant, oral, and custom panels.

Candidate receive self-service electronic CCF and the ability to choose their own clinic for convenience.

- Fully mobile drug testing experience.
- Access to thousands of clinics.
