WORK HISTORY

Houseman

University Club of Milwaukee (2019 - 2020)

- Set up tables, chairs, and audiovisual equipment for events
- Provided guests with tech support for the audiovisual equipment
- Had some janitorial maintenance and grounds-keeping duties

(Continued on the next page)

WORK HISTORY (CONTINUED)

Mission Intern

Riverwest Food Pantry (2018 - 2019)

- Data processing with Salesforce
- Restructured a training manual for greater clarity and usability
- Managed a team of volunteers

Audiovisual Technician

Thomas Aquinas College (2016 - 2018)

- Set up audiovisual equipment for amplifying and recording of school events such as lectures and concerts
- Processed and published recordings

Contractor's Assistant

Miracle Wood Floors (2016 - 2018)

- Assisted a seasoned professional in installing and refinishing high-quality wood floors
- Later applied the skills I had acquired to help refinish my parents' hardwood floors

Dorm Cleaner

Thomas Aquinas College (2014 - 2016)

- In charge of maintaining cleanliness of one wing of dorm
- Took initiative to not only maintain dorm cleanliness, but also raise the standard

Bakery Worker

Piggly Wiggly (2014 - 2016)

- Operated coffee bar and cash register
- Packaged breads, rolls, and other baked goods to be sold
- Answered phone and took orders

EDUCATIONAL HISTORY

devCodeCamp

Full Stack Software Development Certificate

- 12-week, 50hr/week bootcamp
- Hands-on learning (approximately 75% of our time was spent on projects, 25% in lectures)
- 4.0 GPA

Thomas Aquinas College

B.A. in Liberal Arts

- Great books program
- Seminar style classroom discussions
- Emphasis on critical thinking
