Hi Amy,

I was unable to reach you today for your tour appointment at 2:00 PM. I'm looking forward to when we can show you our:

- Visitor's area where parents may stop in for lunch or a break with their child.
- Wading pool for young children to get used to water experiences.
- Tactile play station where children can develop fine motor skills

To make a new appointment, view our [virtual tour scheduler here](#).
