

## Financial Director

**Competitive remuneration depending on experience**

**Immediate start**

---

### **It's time to get your life in gear!**

Crossflow is ranked by the Financial Times as the 8<sup>th</sup> fastest growing company in Europe and are recruiting now for a range of roles to accelerate growth.

The business model, technology, and legal framework enables financial institutions to provide short-term working capital to the suppliers of large corporates across Asia, Europe, the Middle East and the UK.

As Financial Director you will be responsible for making sure the company meets financial and legal obligations. You will also create and maintain best practice reporting, procedures and policies, and support the business with risk and compliance. strong commitment alongside verbal and written communication skills that enable you to engage at C suite level and above with financial institutions, funders and similar organisations for the purpose of the role duties performance.

This is a rare opportunity to become a valuable member of the team when the business is accelerating to its next growth phase, creating exciting and exceptional opportunities for team players, who are passionate and focused on achieving targets.

This is business with highly commercially focused and serious engagement, with a very professional and motivated organisation, working to deliver success for their customers.
