

Junior Accountant

Competitive remuneration depending on experience

Immediate start

It's time to get your life in gear!

Crossflow is ranked by the Financial Times as the 8th fastest growing company in Europe and are recruiting now for a range of roles to accelerate growth.

The business model, technology, and legal framework enables financial institutions to provide short-term working capital to the suppliers of large corporates across Asia, Europe, the Middle East and the UK.

As a Junior Accountant, you will provide support to the accounting department by handling general accounting tasks on a daily basis. Primary duties include payments reconciliation, book keeping, preparing financial statements, issuing receipts and invoices and updating the financial database. You will be reporting to the Finance Director.

This is a rare opportunity to become a valuable member of the team when the business is accelerating to its next growth phase, creating exciting and exceptional opportunities for team players, who are passionate and focused on achieving targets.

This is business with highly commercially focused and serious engagement, with a very professional and motivated organisation, working to deliver success for their customers.
