

## HOW TO ADD POWERSAFE TO MOBILE DEVICE HOME SCREEN

Please follow the instructions below to add a shortcut to a website on the home screen of your iPad, iPhone or Android device.

### IPAD OR IPHONE

- 1 Launch **Safari** app.  
(Note: This does not work from the Chrome app on an iPhone.)
- 2 Enter or copy **<https://powersafetraining.org>** in the address field you want to create a shortcut to. Tap **“Go.”**
- 3 Tap the icon featuring a right-pointing arrow  coming out of a box on the top or bottom of the Safari window to open a drop-down menu.
- 4 Tap **“Add to Home Screen.”** The Add to Home dialog box will appear, with the icon that will be used for this website.
- 5 Tap **“Add”**, which appears along the top right of the screen. Safari will close automatically, and you will be taken to where the icon is located on your device.

### ANDROID

- 1 Launch **Chrome** app.
- 2 Open **<https://powersafetraining.org>**.
- 3 Tap the **menu** icon (3 dots in upper right-hand corner) and tap **“Add”** to home screen.
- 4 You'll be able to enter a name for the shortcut and then Chrome will add it to your home screen.
