To Our Loyal Customers:

On October 16<sup>th</sup>, I am proud to announce that Wimsatt Building Materials will become part of SRS Distribution’s family of independently run companies.

My family and I have spent most of our lives building Wimsatt’s brand, reputation, and culture, so this was not a decision we took lightly. After many sleepless nights contemplating the future of our company and the legacy of the business, I concluded that now was the right time to find a new growth partner. I am confident that Wimsatt and its people will continue to prosper under SRS’ ownership while providing exceptional service to our loyal customers.

It is important for you to know that this transition does not represent the end of Wimsatt, but rather the next chapter in our long and storied history. Our commitment to the highest level of customer service will remain unchanged, with hopefully even more opportunities to deliver on that commitment as part of the SRS family. Additionally, we intend to make this transition as smooth and transparent as possible for our most important partners – our customers and employees. We will continue to operate under the Wimsatt brand with the same faces and determination to be your supplier partner of choice.

Servicing our customers has and will always remain our primary goal. We understand you will have many questions but let me assure you that we have done our research and are confident that SRS is the best possible partner for Wimsatt, its customers, and its employees.

We would like to sincerely thank you for your loyalty and support. The Wimsatt Family will continue to work hard every day to be the best possible partner for you, our valued customers.

Sincerely,

Bob Hoffman  
 Chief Executive Officer
