There is also a map showing the location in Dearborn.

Dealers enter jobs directly into platform

Customers can view job status and truck tracking

About Agero

Agero's mission is to rethink the vehicle ownership experience through a powerful combination of passionate people and data-driven technology. As the #1 B2B, white-label provider of digital driver assistance services, we're pushing the industry to redefine manual processes as digital, transparent and connected.

The company has over 150 million vehicle coverage points in partnership with leading automakers, insurance carriers and others. Managing one of the largest national networks of service providers, we respond to approximately 12 million service events annually. Agero, a member company of The Cross Country Group, is headquartered in Medford, Mass., with operations throughout North America. **To learn more, visit www.agero.com.**
