

Student feedback made easy

The image shows a screenshot of the ziplet app interface. On the left, a feedback form for 'Ms Jones' (Introduction to Visual Media) asks 'How well did you understand today's lesson?' with a rating scale from 1 to 5. The number 4 is selected. Below the scale is a blue 'Send response' button. On the right, a 'Classes' list shows four entries: 'Ms Jones' (Introduction to Visual Media) with a red circle containing the number 2, 'Ms Stephenson' (Web Design 101) with a red circle containing the number 1, 'Mr Brown' (Digital Video Compositing), and 'Ms Jones' (Motion Graphics 2). Each entry includes a small profile picture icon.

**Quickly let your
teacher know
how you're going**

**Responses are
private between you
and your teacher**
