

Ditch Cash + Paper Checks

With Branch, you can pay your employees digitally—and immediately—after each shift, through our Digital Wallet and Branch Card. You also get to streamline payroll processes, eliminate costly checks and paycards, and give your employees tools to help them become more financially secure.

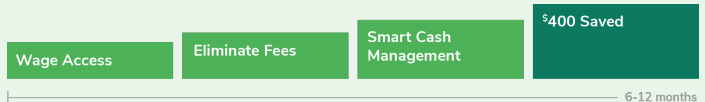

Digital Wallet + Branch Card

Unlike traditional banking services, we offer a no-fee debit card and direct deposit that make banking accessible for all workers.

- + Pre-printed cards allow employees to get paid on day one, whether in wages, tips, or mileage reimbursement.
- + No overdraft fees or annual fees
- + Free ATM access

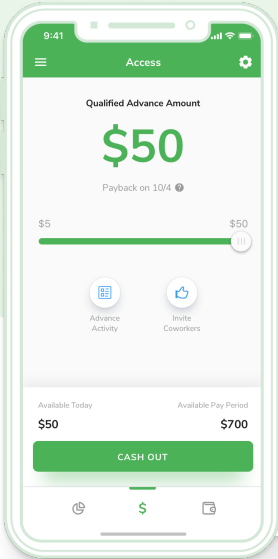

Help build a financial wellness path for your employees.

Branch, in partnership with employers, is working to move beyond wage access to empower every American with tools to withstand a \$400 setback.
